District Governor's Message

Hello Lions All,

Where has the time gone? It seems like just yesterday; I was preparing to be sworn in as your District Governor. What a fast and challenging year for us all. I hope we all have learned a lot about what happened this year. I know I have learned a lot. I have become very familiar with technology, and how it can help us out with communication. Things that we didn't think about and things we had to learn to think about, and new ways to pursue holding meetings and gatherings in addition to completing projects to remain visible in our communities to keep our clubs active. I am very proud of all of you Lions for being able and willing to "Open Up for New Ideas" during the pandemic, as they have kept our clubs moving.

In wrapping up for the year, please continue to enter your service into MyLion. These service logs are very important to not only your club, but our District as well as the state and Lions Clubs International. Let the light shine on how active we are. Let's make this a last minute challenge for you all for the year...let's set some records this year! If your club has not reported to MyLion yet this year, please enter your service before the end of this Lion's year. If you need assistance, reach out to our District's Global Service Chair—PDG Lance Remic, or our District Administrator—Denise Poole to get your service entered!

We have some fun activities coming up for the summer...I know there will be many chicken BBQ's, car shows, demolition derbies, pancake breakfasts, Strawberry Festivals and golf outings happening throughout the district. Let's support each other's efforts and get out and try something new!! The District Golf Committee is looking for your support as well...we need golfers, volunteers the day of the event, prizes, and baskets—if you can help out in any way, contact PDG Jason Mesher to see where you fit in.

Also looking forward, I feel I am leaving you in good hands with your new District Governor-Margie Wolff. Be sure to give her a warm welcome into your clubs as she makes her rounds doing her club visits. Also, be sure if you have not already done so to enter your new club officer information into the LCI website as she will need that information to be sure her directory is accurate.

Once again, I would like to thank all of you from the bottom of my heart for being so supportive of me during this 2020-2021 pandemic year. If I did not thank you in person, I am thanking you all now. Being a part of your clubs has meant a lot to me. As a whole, we are all the same—just in different locations. Big or small, we are still very mighty. All I can say is, “Job well done Lions, keep up the great work!!”

Yours In Service,
DG Chuck

District Governor Elect (1st VDG) Message:

Dear Fellow Lions:

Shortly, we will begin a new Lions year with new officers from the Club level through international positions. This gives us a wonderful opportunity to expand our areas of service and meet the needs of others.

It also presents us with a special opportunity to create new experiences and try out new ideas for club events and activities.

This past year has been a challenge to everyone, but the determination and perseverance and dedication of Lions everywhere helped meet and dilute crises of all types in all situations. Many clubs organized or participated in food drives and distribution of items needed by members of their communities. Where there was a need, there was a Lion.

As we have heard before, Lions are the best kept secret, and we need to change that. We need to make the public aware of what we do and ask them to join and help us in our mission - "we serve".

One of the excellent outreach programs we have is Beacon Lodge. Please try to attend the annual Appreciation Day at Beacon Lodge on Sunday, July 18, 2021. It is a great opportunity to see how Beacon Lodge serves as an important part of the community.

Please remember to send in the names of your new officers for the coming year.

Yours in Lionism,

DGE Margie Wolff

1st Vice District Governor Elect (2nd VDG) Message:

“Summertime and the living is easy.” Yes, that is a song from Gershwin’s “Porgy and Bess,” and it expresses a thought that is on the minds of a lot of folks this time of year. Memorial Day weekend has come, and everyone knows that marks the real beginning of summer, and summer is the time for vacations, cook-outs, and just plain “kicking back.” Indeed, with the pandemic winding down we all could use some down time, rest, and recreation.

But before we get to that “R and R” let’s stop and remember two things. First, Memorial Day is about more than barbecues. In fact, the keynote of Memorial Day is sacrifice, the sacrifice of all those men and women in the name of liberty and freedom. The way of life we enjoy as Americans has come at a price, a very high price. The word “Sacrifice” itself literally means “to make holy.” Those places where our honored dead lie are hallowed grounds.

Second, let’s remember that need does not take a vacation. All those needs we have addressed as lions are still there. There are still eyes that need to be checked, glasses to be distributed, hungry people to be fed, campers who need Beacon Lodge. Just because summer has come does not mean we have taken a vacation from being lions. And speaking of Beacon Lodge, Lions Appreciation Day is coming up on Sunday, July 18 at Beacon Lodge. If you have never been to Beacon Lodge you just might want to get your reservation in.

Please enjoy the Summer, and I look forward to seeing all of you.

Tony

WOMEN AND FAMILIES IN LIONS

Father's Day is a celebration honoring fathers and celebrating fatherhood, paternal bonds, and the influence of fathers in society. A woman named Sonora Smart Dodd of Spokane Washington first proposed this in Washington around 1909.

The Covid pandemic has changed so many things in our daily life, it is no wonder you may be suffering from memory loss as to when this day of honor takes place! This happens because the date changes every year. It falls on the third Sunday in June—which means its actual date changes year to year according to my research on the subject. (Accessed: 5-25-2021, Website, The Pioneer Women).

Last month I explained all I uncovered about Mother's Day. I must say I was pleasantly surprised to find the name Sonora Dodd in the center of all this history making celebration. She worked hard to get Mother's Day established and equally hard to establish an equivalent for male parents, which finally occurred on June 19, 1910 as the first official Father's Day Celebration!

This is a great time to pull together a family project to honor Dad on his special day. Although you can always buy his favorite self-care product or cook his favorite meal, why not create something special the children can make. DIY projects are easy to find on the web with a few simple items. Some of the examples I investigated are, painted pots with funny faces, tie dye shirts, a favorite snack mix, stenciled necktie and so many others. Get the children involved and do your research. Homemade cards are always a hit with Dad and are sure to instill lasting memories he will cherish.

Till next time.....

Who Are Lions?

Lions are like-minded men and women in your town who are committed to helping the citizens of your town to live better lives, and to help make your town a better place for those who live and work here.

With almost 1.5 million volunteers, Lions is the largest humanitarian organization in the world. Lions aid the blind and visually impaired, support youth initiatives to build strong character and end bullying, feed the hungry, address global epidemics like diabetes, come the aid of communities when disaster strikes, and are committed to filling other community needs throughout the world.

Because we're local, we can serve the unique needs of our communities and because we're global, we can address challenges that go beyond our borders, and because of our numbers we can help to influence positive change around the globe. When it comes to meeting challenges, our response is simple: "We Serve." It's something that unites Lions around the world. We help wherever, whenever and however we can.

From around District 14-E:

Nothing to Report

Empowering Clubs through the Power of Action

Global Action Team

Dear Lions and Leos,

Does your club have what it takes to be great? Recently, DGE Margie and her fellow DGEs watched a video featuring Dr. Willie Jolley who asserted that “If you want to be great, you need to serve others with a heart full of love.” As Lions, we try to do that. After all, our motto is “We Serve.” furthermore, to achieve greatness, Dr. Jolley claims that we must associate with people who inspire us to accomplish more than we thought possible, while empowering others to accomplish more.

These past 15 months have caused us to reassess our projects to provide more meaningful service than we thought possible without our usual fundraisers. Yet, those clubs who were visible and realized the need to change not only “served with love and kindness,” but also attracted more hands to increase their service.

These clubs proved that “change is possible when you have the right attitude.” Their excellence was accomplished through caring, dreaming, and expecting a positive outcome. Of course, the three major components of positive attitude are **vision**, **decision**, and **action**. When you think big, you can achieve successful results.

- In this new Lions’ year, encourage your club to work toward the **Club Excellence Award** because every club can accomplish this!
- Urge your club to develop a succession plan. After all, no one should be in the same leadership position for decades. This keeps others from developing their leadership skills.
- Sometimes, too, it becomes crucial to make those difficult, but necessary decisions. Delaying the inevitable makes the change more difficult.
- Commit to acting upon your dreams by setting goals for vision and diabetic screenings, meal preparations, environmental improvements, and childhood cancer projects.
- Look at the project planners on the LCI website to make your preparation easier.
- Encourage your club leaders to utilize the tools and resources that LCI has developed, particularly the outstanding e-Books which link to the essential forms and documents.
- Finally, work to achieve the district goals that align with the North American Membership Initiative/Global Membership Approach to attract new members and to retain our present members by utilizing their talents and passion.

Best wishes as you end this year of “Kindness and Diversity” by serving with a “heart full of love.” Make a difference to someone every day.

Yours in Friendship and Service,

Cindy, GAT Area Leader (Pennsylvania, Virginia, and West Virginia)

Leadership

Fellow members,

Every member can find their leader “within”. We must not become numb to the word “leader”. Take a moment and observe your own reaction when you think of becoming a leader within our lions’ organization. Was it a positive or negative thought? Did you draw a blank? What are your own personal thoughts and perceptions to considering a leadership position within your club, district or further?

Take the first instinct or thought and that is where you begin. You must evaluate why you reacted the way you did when you may have been thinking about volunteering for a more active role. Why did you step back when you were possibly approached to taking on a leadership role within your club? Being honest with yourself helps you understand the possible obstacles there are that you are personally bound to when considering a leadership position.

There are many forms of leadership positions available throughout our organization. It does not necessarily mean that you will be the next District Governor, but why not? Maybe there are specific reasons why you are not considering stepping into a Zone Chair position? What are they? Every member should truly take advantage of holding the position of President within their club. It gives you the opportunity to become a much more informed Lion. An informed Lion is powerful!

It is naturally within each of us to overcome obstacles that are put on us. These obstacles can change our lives forever. Each day is a new day. When looking within yourself to find your obstacles that keep you from moving forward, take those thoughts and find ways to overcome.

A leader possesses a passion. It can be seen as well as felt. If it is passion that you seek, look around your community and keep involved. It will come to you whether by accident or on purpose. How about goal setting? If you are not sure what it is that you want to accomplish by being a member of the world’s largest service organization, templates are available to help you find that goal and chart the path to achieve it. Maybe there is a lack of confidence. We all experience self-doubt throughout our lifetimes. We all experience successes and failures. It could simply be taking a course to help you learn more about yourself and what you can achieve. There are numerous reasons that can have an impact on your progress as a Lion. Health, Family, Time, and Money but let us never forget there are more numerous ways available to us to work through or around those obstacles.

Nothing is set in stone with our clubs except for a simple “We Serve”. We all serve in our own ways, do not let obstacles stop you. Be honest with yourself, be honest with each other and we will all get the opportunity to find our leaders within.

Yours in Service,

PDG Aaron Slezak

Membership

As we approach the end of the 2020-2021 Lions year, I would like to thank DG Chuck and the District 14-E Global Action Team for leading us forward during this Pandemic. They had to navigate through Governmental restrictions, our Clubs literally shut down, and a plethora of other circumstances that were unprecedented in our Lions History. As our lives and society slowly begins to return to normal and things reopen, the Global Membership Team would like to remind you that we need to take a proactive approach and plan our strategies for increasing our Club's membership.

Opportunities for vendor shows, craft shows, festivals, and other community events are slowly being rescheduled. We need to start putting together our Club brochures, Lions flyers, etc. and be ready to "hit the ground running" when these opportunities once again become available. As we think about prospective members, I'm sure at some point you have been asked one or more of these questions: "Why should I join the Lions?, Who are the Lions?, What do the Lions do?." I suggest incorporating this short "Elevator Speech" to initiate the conversation.

Lions International is the world's largest service organization with over 1.4 million men and women in 210 countries and geographic areas.

1. We are dedicated to serving those in need in our communities or around the world.
2. We have a global mission of assisting those with visual difficulties.
3. We offer leadership opportunities and training.

In addition, here are some other key points which you can include that reinforce the reasons why someone should join the Lions:

- **Friendship** – In our complex world, Lions provides this basic need.
- **The opportunity to make a difference** – As an individual, you have limited impact, but as part of a group, you can achieve so much more.
- **Personal growth and development** – Lions membership aids your growth and education in human relations and personal development.
- **Citizenship in the community** – Becoming a Lion increases your awareness of the needs in your community and affords you the ability to be a part of initiating programs to address those needs.
- **Lions are Fun** – Meetings, Club projects, social activities, and most importantly, Service are all fun!!
- **Lions "Make Things Happen"** – Wherever there is a need, you'll find the Lions, involved in getting the job done and making things happen. We are always ready to roll up our sleeves and find a solution; no job is too big or too small.
- **Family Programs** – We offer the Cub Program, Leo Clubs, Family Unit Memberships, and other programs tailored towards families.
- **Cultural Awareness** – Around the world, practically every religion, country, culture, race, creed, political persuasion, language, color, and ethnic identity is found in Lionism. ***We are truly an International Organization.***

Offering a range of programs providing help for the disadvantaged, both locally and internationally, Lions provide a multitude of aid to address both the medical and social needs of those less fortunate than ourselves.

In this time of global pandemic recovery, Lions are needed more than ever! We will once again be able to do the service projects we have had to put on hold, We need to continue helping at a local food pantries, the Westmoreland County Food Bank, our local churches, or any other opportunities - "To Serve"- in your area.- Lions are a service club.

This is the best reason for becoming a Lion; the chance to do as a group what we cannot achieve on our own, to serve our fellow man, and to do our part to make the world a better place. Our motto is simple, but says it all **"We Serve."**

What we do and who we are as Lions is our best advertisement. Please take advantage of these attributes to grow your Club and strengthen our membership. Our GMT and GLT Teams are ready and willing to help you achieve these goals and look forward to hearing from you.

Plea for help from the Manor Lions Club

On Saturday, June 12th we are holding a Memorial Chicken BBQ for our late member, Jerry Nedley, who lost his life due to **Cancer a few years ago. We are donating all the proceeds of this BBQ towards Welcome Bags for patients and their parents on the Oncology Ward at Children's Hospital in Pittsburgh. We expect a huge turnout, since Jerry was a well-loved and a respected member of the community.**

What we need from some Lions and clubs are about 4-5 extra tables, 4-5 coolers, at least 1 canopy tent, an extra cash box and a lot of extra hands in order to make things run smoothly. We usually set up at 7 and start cooking as soon as possible.

We will have a donation box available, but only for playing and Uno cards, kids and teenager size hats and socks, scarfs, iTunes and Google Play gift cards, water bottles, wrapped hard candy, and Starbucks and gas cards for parents.

You can contact Lion Joy Clontz at jrare4@comcast.net or 724-787-3954. Thank you all so much

Service

As June starts, we are entering into the last month of the 2020-2021 Lions year. Has your Club completed its Service goals? Has your Club worked on living up to the theme of DG Chuck – Open Up For New Ideas? You still have a few weeks left to complete these goals and to report them via MyLion. While doing this you should be preparing for the start of the next Lions year. Your Clubs will soon be under the guidance of a new Club President and come July we will have a new District Governor – Margie Wolff. She will have a theme and goals that she will share with us so that we can continue to provide meaningful service to the communities we call home.

It is an important time to think again about the Service Journey. As you may remember the journey has four phases – Learn, Discover, Act, and Celebrate. As you complete your Service goals and as you prepare for the transition of one Club administration to the next it is a key moment to Celebrate your Clubs success in the community. Reflect on what was accomplished and be sure to share stories of your Clubs impacts on the community. This will also Serve to inspire your Clubs members and leaders as another year begins.

While celebrating this year it is also important to move into the next cycles of the Service Journey by Learning and Discovering. Learn what is important to the community and what needs your Club can help with during the months to come. The Club can then start to Discover. Discovery includes assessing the needs of the community. This is also a time when the Club should review its own structure. What does your Club need to make it better positioned to Serve the community? It's never a bad thing to do a little self-reflection.

When looking to develop your plans for the next Lions year do not forget the power of Partnerships. We can achieve more when we work together. Other organizations in your community may have the same common interests as you and working together you can both achieve them. Each group may bring different strengths and abilities that can help accomplish the goals. This can also be done with the help of neighboring Lions Clubs. The Delmont, New Alexandria, and Slickville Lions Clubs are all parts of the Lions Lunchables Project. James H. Metzgar Elementary School has students from all three communities and the weekend backpack lunch program is an important cause to all three Clubs. Recently another Club in the District has asked for help with one of its Chicken BBQ fundraisers and in a few weeks Lions from several Clubs will be helping make that event a success for that Club.

As I write this article it is Memorial Day weekend and as always, we take time to reflect on those who were lost in Service to this country as part of the armed forces. Even though the memory is of those who are lost we also take time to thank and remember anyone who has Served as part of the military.

As I write this, I am also preparing to honor a fellow Lion with a Necrology Service. We have lost a Slickville Lions Club member this past week and many Clubs have lost good members this last year. We plan to gather to honor a member who lived up to the motto of "We Serve." Each time this task must be done I think about the words that we share with the family of our lost member. Since they relate to Service, I share parts of them with you now.

God gives each of us the means by which we are to serve. Each of us can use only that which he receives. Everyone receives something, and God holds everyone responsible for the uses of what they have. God does not seem to be concerned about the size of the talent he has given us in life, or about the grandeur of the service that we are able to offer him. He cares about the faithfulness of our service. He values the little things that are done lovingly and consistently in his name. Any service offered from a sympathetic and compassionate heart matters most. When the heart is right and one's dedication is complete, God's response is always the same: "Well done, good and faithful servant." It is not the size of the gift or task that matters, but the size of the heart of the giver.

The International Convention has gone VIRTUAL!

JUN 25 AT 10 AM EDT – JUN 29 AT 6 PM EDT

103rd Lions Clubs International Convention - Virtual

REGISTRATION IS NOW OPEN: <https://www.mcisemi.com/lci2021/>

*PLEASE NOTE: This is not a Free Event. The registration fee will be US\$50 until March 31, then US\$75 beginning April 1. The registration fee for Leos will be US\$30 regardless of date.

Due to the continuing concerns about the coronavirus (COVID-19) pandemic, the board of directors voted to transition the 2021 Montreal Lions Clubs International Convention to a virtual event that will be delivered totally online. This decision was made with the health and safety of our Lions, staff and vendors in mind as limiting international travel and large gatherings is key to global containment strategies.

Convention updates and details will be posted at lcon.lionsclubs.org as they become available.

This global health pandemic has forced us all to make decisions and changes that place health and safety first. However, we are optimistic that with each new day there is hope, and as Lions, we continue to find new ways to stay connected, safely serve our communities and continue our global mission of service. ***The Lions Diabetes Board of Allegheny and
Westmoreland Counties (LDBAW)***

June/July 2021

Dear Labor Day Diabetes Golf Sponsor:

On Saturday, September 4, 2021, the new Lions Diabetes Board of Allegheny and Westmoreland Counties (LDBAW) will be sponsoring its first annual Labor Day Diabetes District Golf Challenge at Butler's Golf Course in Elizabeth Township.

It is more important now than ever that your sponsorship of this event help to replenish over \$21,000 in medication costs in 2020 for those who could not afford their diabetes medications at UPMC McKeesport. What's even more important that these costs will increase significantly as we begin to fund needed diabetes medications at Westmoreland Hospital which is our ultimate goal. What an undertaking LDBAW is committed to these patients by ensuring they will receive their medications. Over the past ten years, medication costs exceeded \$260,000.

There are many ways you can support LDBAW's event by becoming a \$1,500 Type 1 Diabetes Sponsor (includes a foursome and tee sign) or a \$1,000 Type 2 Diabetes Sponsor (includes a twosome and tee sign), or a beverage cart sponsor for \$250 or single tee or green sponsor for \$100. All donations will be received with gratitude for helping us help those with diabetes. If you do not golf, you can attend our dinner for \$30 per person.

Of significant company recognition is your opportunity to be the major sponsor of our golf event with your company name and logo on our event souvenirs in addition to a tee or green sign and a golf foursome in the event for \$2,500. What a deal!

When thinking about how you can support our diabetes patients, think about this wonderful opportunity to make a difference. Your sponsorship will be warmly received by LDBAW!

Sincerely yours,

June/July 2021

Dear Labor Day Diabetes Basket Auction Donor:

On Saturday, September 4, 2021, the new Lions Diabetes Board of Allegheny and Westmoreland Counties (LDBAW) will be sponsoring its first annual Labor Day Diabetes District Golf Challenge at Butler's Golf Course in Elizabeth Township.

It is more important now than ever that your sponsorship of this event help to replenish over \$21,000 in medication costs in 2020 for those who could not afford their diabetes medications at UPMC McKeesport. What's even more important that these costs will increase significantly as we begin to fund needed diabetes medications at Westmoreland Hospital which is our ultimate goal. What an undertaking LDBAW is committed to these patients by ensuring they will receive their medications. Over the past ten years, medication costs exceeded \$260,000.

While there are many ways you can support our event, the easiest and most creative way to become a part of our golf event is to donate a basket for our auction. The basket auction is a major part of the proceeds raised for our diabetes patients, and you too can share in the rewards of this event even though you may not golf.

When thinking about how you can support our diabetes patients, think about this wonderful opportunity to make a difference. Your diabetes golf challenge basket will be warmly received by LDBAW!

Sincerely yours,

Amy Thompkins, Basket Auction Chair (14-E)
PID Cindy Gregg, Vice Chair (14-E)
DG Elect Mary Ann Belles (14-B)
DG Elect Margie Wolff (14-B)
PDG Mary Jane Keller (14-B)
Lion Dee Connor (14-B)
Michele Matuch, Board Chair (14-B)
Carla DeJesus, Diabetes Specialist (14-B)
Michele Axelson, Diabetes Specialist (14-E)
