District Governor's Message

Whenever I get an opportunity to visit a Lions event where students are present, I always take the opportunity to find out what they know about Lions Clubs. I do the same with their parents as well. Not surprisingly, most of them have never heard of us or, if they have, the only thing they are aware of is us providing and collecting eyeglasses or selling brooms, but that's it.

How sad. Somehow, we Lions seem to have missed getting the word out to our younger generations. I hear time and again from our clubs that young people just don't want to be bothered. But that is absolutely not true. We need to get them involved or there is no Lions Clubs in the future.

I recently read a book by Jonathan and Thomas W. McKee called, "The New Breed: Understanding and Equipping the 21st Century Volunteer." The authors say that despite what popular opinion of millennials is, their generation is highly motivated and very involved in volunteering. They provide these tips to harness the potential of this generation as volunteers:

1. They are impatient. This group grew up with computers in the classroom, video games, online shopping, and fast-paced television programming. To them, "Googled" is a verb - as in "I Googled it" - that has replaced going to the library or the store. Give them the opportunity to use these skills and abilities, find out why they are impatient and you may find a way to improve your club.
2. They are multitaskers. Studies show this group is saturated with media of all types and that has turned them into multitaskers - most of the time they did homework while watching TV, texting and listening to music. Be mindful that this generation does things differently than how we've always done it. They often accomplish things faster and more efficiently than we do (while listening to loud music). Instead of giving them a to-do list, just ask them to help you achieve the desired outcome and see what happens.

3. They think “digital.” The authors say that we are like a videotape, if we don’t like a part, we need to fast forward through it. The younger generation has never had fast-forward, they just jump to whatever part they need to get to. The under-30 generation processes information quickly and groups that subject them to slow-paced trainings and meetings only serve to bore them. This generation is cause-driven and they don’t want to wait for someone else, they want to do it themselves so we need to give them an opportunity and let them run with it.

4. They are tolerant. Diversity is a value for this generation, they are tolerant and slow to judge others. They do not have an inherent respect for titles and positions, they focus on personal authenticity. They ignore biases and work with anyone that can help them accomplish common goals.

5. They are looking for causes. This generation is highly motivated by specific causes and always looking for a way to make a difference. Does your club communicate its cause? Remember, this group cares about outcomes – why we do what we do.

6. They are team players, but... This generation wants to be able to use their unique talents and abilities to make a difference. They say they want a community of people their own age and with adults who trust them. We need to empower them and give them opportunities to share their insights and skills.

7. They don’t want to be managed; they want to be led. We must be careful not to micromanage the younger generation. We must earn their trust and get them excited about the cause and the desired outcome.

Our Lions Clubs are slowly fading away and we need your help right now to chart a new course. We need to get our younger generations involved and active in our clubs. We are losing Lions members at twice the rate we are bringing them in and that is simply not sustainable.

There are great opportunities to get younger members involved. If there is not a good fit in your club, consider starting a branch club. A branch club only takes 5 members to start and operates independently, but under the oversight of the main club. They can be cause focused (such as a robotics club, sports booster club, etc.) or just a group of younger members that has a different approach.

The days of the “supper club” meetings are slowly coming to an end. We can continue to enjoy them in our clubs, but need to recognize that many of today’s younger generations don’t have the time or interest in participating, they move too fast and these just don’t fit into their lives. A branch club would be a great solution. Younger clubs may not even meet at all, working out details of projects online.

As Lions, our motto is “We Serve.” But without Lions, we cannot serve. We need your help over the next few months. “Ask One” is our program encouraging every member to ask someone to join their club. But before you ask them to join, bring them to work a project with you. Let them be a part of what we do, let them see the difference we make. Share that with them and you may just earn a new member in your club.

Thank you for your commitment to your clubs. Now, let’s build them back up and make our communities notice us. We are Lions, hear us roar!

1st Vice District Governor Message:

Hello Fellow Lions,

Well, another month has gone by all so fast. I am not sure where the time goes to so fast. I hope you all had a good New Years. With the new year her, does anyone have any good ideas for service projects or fundraisers. I would like to see if we could work together on helping clubs fulfill getting this done. The more visible we are, the better off we (Lions Clubs) will be. I know several of our clubs are small but mighty, but think what you could accomplish if your club was larger. It would mean more members to be active and seen in your communities.

Valentine's Day is coming up soon. I am challenging you all to do something special for someone. It could be as simple as saying hello to someone you do not know, or by picking up the tab for someone when you are out to eat or stopping for coffee (you know, the pay it forward deal). By showing this random act of kindness, you could make someone's day...as one never knows what someone else is experiencing in their lives at that moment, and it just might make a huge difference. That is what being a Lion is about...making a difference in someone's life.

The 3rd State Council Meeting is coming up on Feb 7th-9th at State College, and information from that meeting will be shared with you at at the Cabinet Meeting on Feb 22nd at the Westmoreland County Blind Association.

The District Bowling Tournament is coming up on March 1st. I would like to see representation from all the clubs in the district. It doesn't matter how well you bowl or how badly you bowl, it is about spending time with friends and getting to know new people. Remember it is not for Lions members only, so bring your friends & family members along for the fun....and maybe they will want to join your club! If you are not able to bowl, then come to enjoy fellowship & good food! Be sure to get your reservations in as soon as possible. I hope to see you all there and I am hoping for a great showing this year.

I would also like to put this out there as well. You are all great Lions & work very hard within your clubs, and if any of you are looking to move beyond the club level & become involved at the District Level, please reach out to your Zone Chair, 2VDG Margie, DG Dave, myself or any other cabinet member. Our District is also in need of additional Zone Chairs for the upcoming year, and we need your help!!

Until we meet again,
Yours in Lionism,
1VDG Chuck Thompkins

2nd Vice District Governor Message:

Dear Fellow Lions:

Having visited a number of Lions Clubs over the past two years, I find it heartwarming and inspiring to see all of the projects in which Lions are involved. "Where there's a need, there's a Lion" is certainly true everywhere.

Fundraising activities are many and varied, and the Lion members involved always have fun while working for a worthy cause. It is inspiring.

Whatever activity your club undertakes, remember the purpose; that is, to help someone in need. And, the needs are many - providing assistance after natural disasters, donating a campership at Beacon Lodge, providing an eye exam and glasses to individuals - all are worthwhile causes.

Please keep up the good work, and, of course, if I can be of any assistance, please let me know. I always have fun working with you on club projects.

Yours in Lionism

WOMEN AND FAMILIES IN LIONS

♡ February the month of love. ♡

How long ago has it been since you have given a friend a Valentine? For many of us it's been awhile. To send a Valentine today it doesn't mean you're in love or in "like", it can be just a friendly note to a friend you haven't spoken to in a while. How about someone that you just want to say "hi" too?

This is the perfect time to do just that. I am not just talking about us individually but as a Lions Club too. At your meetings in February make a list of local organizations and businesses in your area and send them a message letting them all know what your club does in your community. List some of your service projects. Let them know you are around to help those in need and are also in need of more family's memberships in their community. Maybe make the letter in the shape of an ear or a pair of eye glasses. Or just use the shape of a heart. Just make it eye catching!

As always, I am here to help you with you women and family needs. Please let me know if I can be of any help to your club.

Our Vice District Governors joined the others from around the state (multiple district 14) in early January for a weekend of training.

Can you find our 1st Vice District Governor Chuck Thompkins and 2nd Vice District Governor Margie Wolff?

Also in attendance was our district treasurer and zone chair Amy Thompkins. Thanks to all of you for donating your time to learn more about leading our excellent district. You are our future leaders!

Empowering Clubs through the
Power of Action

Global Action Team

Dear Fellow Lions, Lioness, and Leos,

I am excited to tell you about a program that is being shared with all of the First Vice District Governors (FVDGs) throughout North America: NAMI. Because membership in the United States and Canada has been declining for nearly 40 years, the late Vice President Haynes Townsend and VP Brian Sheehan met two years ago with Past International Presidents and Directors to brainstorm ways in which we could help to increase membership. After reviewing all of the suggestions, they established the North American Membership Initiative (NAMI). Because this is the first time in several years that all of the executive officers hail from North America, it makes perfect sense to work on the plan now.

NAMI's goals are to

- Rejuvenate districts with new clubs by considering branches and specialty clubs and looking at underserved areas/communities.
- Revitalize our clubs with new members.
- Re-motivate and re-energize our present members with exciting and relevant service projects.

Who wouldn't want to consider these objectives? The FVDGs will receive additional information during their training in St. Charles in February. However, the five basic components include:

- Opting-In by February 29.
- Building a Team that will work with the Global Action Team (GAT) to achieve club success.
- Building a Vision by asking clubs to consider where they want to be in 5 years (the number of members, the number of service projects, etc.) by determining their club's strengths, weaknesses, opportunities, and threats (things for which they have no control-loss of jobs, people moving away, deterioration of property, etc.)
- Building a Plan-to develop attainable and realistic goals that will address these items.
- Building Success-to accomplish these goals.

This is a very aggressive plan to help each of our clubs to become successful, but it will take EVERYONE's help. All past officers, from the club level to the international level, will be asked for input because the future of Lionism in North America depends on our success. I hope that FVDG Chuck can count on your support.

As always, thank you for all that you do to serve through kindness and diversity.

In Friendship and Service,

Cindy

Leadership

Hello fellow members,

Are you aware that every year there is a USA/Canada Lions Leadership Forum? The forum is open to all members whether holding a leadership position or not. The mission of the USA/Canada Lions Leadership Forum is to develop leaders, motivate and educate attendees, provide an open exchange of ideas, and support programs and goals of Lions Clubs International.

77 seminars are on tap for the upcoming event in Louisville, Kentucky on September 17-19. Registration is open to all. The registration fee includes all the seminars, guest motivational speakers, and four designated meals including the Thursday evening banquet, Friday lunch, Saturday lunch, and Saturday evening banquet. There are numerous hotels in the area that are ready to handle the thousands of members that attend this annual event. The early bird registration fee is offered until May 31, 2020. Registration can be done online or in paper form that is available from the USA/Canada Forum website.

Seminars on tap include:

Hot Ceremonies to Fire up Lions – This is a reminder to us all that first impressions are true, don't let your installation of officers, or the new member induction fall into the same old same old. Well conducted ceremonies will be the success for a new lion or lion leader.

Making Change Stick – Change is hard, especially after 100 years of success, but change we must. The world is presenting challenges we have not faced previously. This session will provide specific strategies to manage transitions in addition to managing change.

Better Together – Learn how to plan a successful youth service project that will engage your community, empower youth and inspire the next generation of Lions to serve. Learn to leverage community partnerships and increase media exposure.

Does your club get along – Conflict can cripple a club and negatively impact membership. Learn how to manage conflict.

May Your every Wish be Granted – Begin with the end in mind is always the best way to approach a grant! Tips will be shared by an experienced grant writer.

In all honesty, after attending two forums, I realized that it is one of the most informative and energizing events offered for Lions' members. Not only do you grow from the knowledge as a Lion's member, the growth personally from what is learned is something you carry forever.

Yours in Service,
PDG Aaron Slezak

Membership

As we enter the month of February, our membership stands at 815. This as we know, is well below the LCI mandated 1250 members. We are not alone; most volunteer organizations are experiencing declines in membership. We need to create new strategies to overcome the obstacles encountered when recruiting members. Society has dramatically changed in the years since a majority of us became Lions members. The family structure now includes single parent households or those where both parents hold full time jobs, women have now moved beyond being “stay at home moms” and entered the work force and in some cases, are now the families primary source of income. Economic conditions have caused many to lose their jobs entirely or have forced them to work multiple part-time jobs to make ends meet. Families with children are forced to juggle hectic schedules to accommodate their involvement in sports, extracurricular school activities, dance, or a multitude of other time consuming items. In addition, involvement in church groups, choirs, golf, softball, and bowling leagues, along with other volunteer commitments, all put a strain on our most valuable personal assets, our time and our treasures.

We need to be both progressive and flexible in embracing these lifestyle changes when recruiting new members. Our future lies in welcoming women, young adults, and families with children into our Clubs. We can no longer expect 100% participation at all Club meetings, service projects, or fundraising events. We must be grateful for whatever time an individual has to offer and thank them for their contributions. When collecting our International, State, District, and Club dues, we must realize that for some individuals, making a lump sum payment would put a huge strain on their finances and may be a deterrent to becoming a member. Why not setup a spreadsheet and let them make installment payments that fall within their budget constraints? With so many opportunities available to volunteer that don't require a monetary commitment, we need to promote our organization and Clubs for all that we do for our communities and those less fortunate than ourselves and convince them that the services we provide would, in most cases, not be available if we didn't exist.

People are motivated to serve for a variety of reasons. They are most inclined to serve if they can personally relate to a specific cause. If we promote the Lions for our contributions to Diabetes, Hearing, Eye research, Childhood Cancer as well as, our Measles Initiative and other humanitarian projects, someone who has a friend or family member that suffers from diabetes, hearing loss, eye problems, or other ailments, may be inclined to join for these reasons. Our ability to determine what an individual is passionate about will be instrumental in acquiring, not only a new member, but also an active member. The power of our Lions motto “We Serve” is strengthened each time we add a new member.

Yours in Service,

PDG Dave Stitely

Service Reporting Contest

Back in October we kicked off a District Level Service Reporting Contest. There were two qualifications for the contest – 1. Club must report Service during October, November, and December using MyLion; and 2. Club must have a registered Club Service Chairperson. At the time the contest began we had 10 Clubs in the District with GSTs and now we have one more joining that list with Level Green Lions Club naming Rob Fucich GST.

The winners of the contest are as follows:

1st Place– Vandergrift Lions, 2nd Place– Rostraver Township Lions, and 3rd Place– Youngwood Lions
3rd and 2nd places each receive \$25.00 towards purchases at the Lions Online Shop and the Vandergrift Club receives \$50.00 towards their future purchases. Please pay for your purchases using your Club accounts and then turn receipts into the District 14-E Treasurer Amy Thompkins to be sent a reimbursement.

District 14-E Service Project

If you attended the MD-14 State Convention a few years back at Seven Springs, when our District hosted the Convention, you had the opportunity to take place in a food packing service project. We are bringing that same event to District 14-E.

There are people in the world and our local communities that do not know where their next meal is coming from. Either they can not afford food or don't have access to it. It can be children in urban settings or families in rural America. Elderly people are sometimes forced to make decisions between buying food or buying medicine.

Meal packing events engage people to give back to the community. Volunteers work together in an assembly line to create protein-enriched meals.

We will be holding one of these assembly line food packings in March to benefit those in need locally. We will be using a do-it-yourself system developed by The Outreach Program in which our District volunteers will be packaging 2,000 food kits. Those food kits will then stay here in Westmoreland County to help finger hunger in the communities of District 14-E.

To do the packing we need to raise \$750.00. With this article we are requesting help from our Lions Clubs to raise this money by sending donations for the event. Information will then follow with details on the packing for anyone who wants to help.

I can be reached by phone or text at 724-309-6750 or by email at lremic@hotmail.com

CLUB SPOTLIGHTS

Our slogan of "*Where there is a need, there is a Lion*" was embraced in the Bike A Palooza event in December, 2019. Coordinating with the Toys for Tots program of the United States Marines, five district clubs filled a need in assembling bicycles. Toys for Tots, a volunteer effort of insuring children have a Christmas, needed to deal with donated bicycles that required assembly, some repairs and safety inspections. From December 16 to 21, Lions assembled, inspected, repaired and inventoried over 250 bicycles. These bicycles ranged through all age groups, and were ready to be ridden on Christmas morning, complete with a helmet. Lions from Youngwood, Mt Pleasant, Delmont, Greensburg East Hempfield and Murrysville stepped up with tools, experience and enthusiasm to make Christmas a reality for families in our communities. The Toys for Tots volunteers were amazed at our dedication and innovation, and hope we return next year.

This year's outing will feature skill prizes, a 50/50 drawing, and raffle prizes.

As in years past, we have a number of ways for your club and/or local business to participate. Several sponsorship packages are available for your consideration. This year, we are hoping that every club will participate in the outing in some way, whether through a sponsorship package, sending a foursome, submitting a raffle basket prize, or providing some event volunteers.

In addition, please consider approaching your local businesses or asking the business owners within your clubs to consider participating as a sponsor or player as well. Remind them that the money raised from the outing in years past has been used to support local projects, such as the Westmoreland County Blind Association, the Lions Diabetes Center, and Pennsylvania Lions Beacon Lodge Camp.

On behalf of the committee, I would like to thank all of you for considering participating in the 2020 Knights of the Blind Golf Outing. With your assistance, we can make this event a terrific success and continue to exemplify our motto, "We Serve!"

Yours in Lionism,

Dear Friends and Business Owners,

The Lions Clubs of District 14-E (Westmoreland County) are pleased to announce our **Annual Spring Rally Fundraiser** which will be held on Saturday, April 18, 2020 at The Barn at Ligonier Valley.

The Westmoreland County Lions are hosting a dinner and Casino Night Fundraiser to benefit two non-profit organizations - the *Lions' Diabetes Emergency Relief Fund* and the *Pennsylvania Lions' Beacon Lodge Camp*. The Lions' Diabetes Relief Fund was founded to help people who are indigent or in need of emergency assistance with the cost of acquiring their needed diabetes medication and insulin syringes. The Pennsylvania Lions' Beacon Lodge Camp is a beautiful 583-acre camp for children, adults, and wounded warriors with special needs, including blindness, deafness, autism, and many other physical and mental challenges. The goal of the camp is to present a well-rounded program adaptable to all campers and others, regardless of age, race, creed, color, or abilities. We are hoping that you and your company will join us as a valued sponsor of this popular and fun event for a good cause.

Our Sponsors receive publicity for their involvement in this fundraiser, including all social media promotions, press releases, district website, and event program. We are expecting over 250 Westmoreland County residents as well as District Governors from all over the state. Please find attached a description of the opportunities available. Your generous support will ensure the success of our event and put your product or service in front of an audience that is very loyal to its supporters.

If you have any questions, please feel free to contact Deanna DeFazio at (412) 913-8754 or by email at deanna.defazio@comcast.net

Thank you for considering our request for support and we are looking forward to seeing you at the annual spring rally.

Sincerely,

David DeFazio
District Governor

Join us in helping homeless children

"Anyone who does anything to help a child in his life is a hero."

-Fred Rogers

The Westmoreland Intermediate Unit, an educational agency serving Westmoreland County children, is hosting the Pennsylvania Association of Intermediate Units (PAIU) statewide conference in May. The theme of the conference is centered on Mr. Fred Rogers and his emphasis on kindness. As a team building activity, conference attendees will assemble backpacks containing hygiene, personal, and comfort items. The goal is to distribute 1,000 backpacks to homeless children within Westmoreland County and across the Commonwealth.

We are asking for your help in filling these backpacks for Pennsylvania's homeless children.

There are two ways to support this effort:

- Making a monetary donation
- Donating any of the following items:
 - small journal/notebooks
 - pens
 - deodorant products
 - bars of soap
 - toothbrushes
 - tubes of toothpaste
 - travel size shampoo/conditioner
 - travel size tissues
 - travel size wipes
 - knit gloves
 - knit hats
 - socks

If you would like to make a monetary donation, please make your check payable to **Westmoreland Intermediate Unit Foundation*** and mail to:

Westmoreland Intermediate Unit
Attn: Christie Ridenour
102 Equity Drive
Greensburg, PA 15601

Donation Deadline:

March 1, 2020

If you would like to donate items, please contact Christie Ridenour at 724-836-2460 x2299 to make either a delivery or pick up arrangements.

Don't miss this opportunity to spread kindness and give comfort to a homeless child. As Fred Rogers so eloquently stated, "All of us, at some time or other, need help. Whether we're giving or receiving help, each one of us has something valuable to bring to this world. That's one of the things that connects us as neighbors-in our own way, each one of us is a giver and a receiver."

*The Westmoreland Intermediate Unit Foundation, Inc. (WIUF) is a 501(c)(3) organization that seeks to enrich the educational experience for K-12 students, in particular those with special needs, in schools throughout Westmoreland County.

Mission Moment – Juanita Lillie

Juanita Lillie credits her Leader Dog Baylor for giving her confidence.

Unlike many of the teenagers who attend Summer Experience Camp, Juanita Lillie did not leave with plans to get a Leader Dog. She was not ready to 'pick up' after a dog.

In July of 2017 she was matched with LD Baylor, a male black Labrador retriever. "I always assumed I would have usable vision to help me navigate, but from 2013 to 2017 I noticed more vision loss. I lost the ability to read large print with assistive technology when I went to grad school." Until this time Juanita trusted and traveled well with her cane, but she was now ready to 'pick up' after a dog.

Juanita counted Leader Dog Baylor as an asset when job hunting. He boosted her confidence to interact and travel. She credits him for helping her connect with people because he is a great conversation starter. She likes that potential employers can see that she gets around easily on her own.

Now a client specialist for the Social Security Administration, Juanita piques Baylor's interest by challenging him with different routes to work each day.

CLUB HIGHLIGHT: Ramsey & St. Jacobs Lions Clubs

"We want to pay it forward," explained St. Jacobs Lions Club President Guideon Richeson of their \$20,000 match campaign (1-CN, IL). We are combining their \$20K with Ramsey Lions Club's pledge of \$50K (5M-7, MN, pictured below) for our spring mail campaign to have a \$70K match! Regardless of amount, every donation will provide twice the impact. Thank you to both clubs for their generous support.

ANNOUNCEMENT LETTER FOR DISTRICTS AND LEO CLUB NEWSLETTERS

The Lions International Pin Trading Club is proud to announce a Youth Scholarship of US \$2,500 for a graduating senior who is the child or grandchild of a Lion, Lioness and/or a member of a Leo Club. The most important aspect of the Youth Scholarship Program is to help a young person pursue his/her education and follow their dreams.

The LITPC takes great pride in fulfilling the motto of Lions Clubs International, "WE SERVE". During the Sight First II Campaign, the pin traders contributed US \$ 144,000 to LCIF. Our Scholarship Program is another example of the pin traders' slogan, "Lions First".

Selection of the scholarship recipient will be based on academic achievement, an essay stating the student's goals, a statement of reason (s) for applying and an overview of work, community and school service, and letters of recommendation. Applications and supporting documentation are to be completed and submitted to the pin trading club scholarship chairman named below by March 1, 2020.

We encourage all graduating seniors who are the children/grandchildren of Lions or Lioness members or who are members of Leo Clubs to participate in our Scholarship Program.

PLEASE BE AWARE THAT SCHOLARSHIP APPLICATIONS AND INFORMATION ARE ON THE LITPC WEBSITE. www.litpc.org

LITPC YOUTH SCHOLARSHIP PROGRAM GUIDELINES FOR PIN TRADING CLUBS

1. Application forms and information will be posted on the LITPC website. Identical information will be published in the first LITPC bulletin of the year. Successive bulletins will contain directions to download the Scholarship Application from the LITPC website.
2. It is recommended that each pin trading club establish a Scholarship Committee of at least three members in addition to a chairperson.
3. In areas or multiple districts without a pin trading club, members are encouraged to establish a Scholarship Committee of at least three members and a chairperson. When the Committee is established, please inform LITPC Sec-retary Lana McCaulley at: lanakmccaulley@gmail.com
4. Guidelines will be released or can be downloaded from the LITPC website.
5. All pin trading clubs will be encouraged to post applications and scholarship information in their bulletins and on their websites. Also, please post scholarship information in your various sub-district bulletins and websites.
6. It will be the responsibility of pin trading clubs to share scholarship information with Leo Clubs in their states/multiple districts.
7. Completed applications will be processed through state and/or multiple district pin trading clubs. In states/areas that do not establish a Scholarship Committee, applications should be sent to the nearest pin trading club as listed on the LITPC website. <http://www.litpc.org/PinTradingClubsPins.html>
8. Each pin trading club may submit two applications to LITPC from their area and two applications from a state/area that does not have a pin trading club.
9. Each pin trading club may designate its own deadline date for the acceptance of applications. A deadline of March 1, 2020 is recommended.
10. Scholarship Chairpersons are encouraged NOT to wait until the last minute to submit scholarship applications to their committee for judging. When 20 or more applications are received, send an equal number of applications to committee members to start prioritizing those they feel are the best applications. Immediately after your deadline EACH committee member can submit their top application to the chairperson. The committee then can select the top two applications to be sent to Lion Lana McCaulley, LITPC Secretary, 12 Fieldstone Drive, Mechanicsburg, PA 17050-1725 by April 15, 2020.
11. Scholarship applications may be duplicated; however, applications which have been altered in any way will not be accepted by the LITPC.
