

March 1, 2026

Dear Friends & Supporters,

Since 1993, The Lions Diabetes Board of Allegheny and Westmoreland has been providing volunteer services and financial support to diabetes health organizations and those living with diabetes in our community and surrounding areas.

To support fundraising efforts, we will be hosting the Joe Donkin Memorial Golf Outing at the Manor Valley Golf Course in Export, PA, on **Sunday, June 28, 2026**. All money raised supports the Districts 14B & 14E Lions Diabetes Board and The Lions Diabetes Center at UPMC McKeesport. Spots are still available; please consider joining us for a day of charity golf, dinner and prizes by registering a foursome and/or making a donation.

We welcome your generosity if you can support our foundation and its beneficiaries. Thank you for your generous support. Please make checks payable to "LDBAW." The LDBAW is a 501(c)(3) organization and donations are tax deductible.

Sincerely,

Sean Raynak
