District Governor's Message

Hello Fellow Lions,

I hope you are all doing well and staying safe. Are you looking forward to another great year of Lionism? I know I am!! Again, I would like to thank you all for your support. I am thankful for your confidence in me to serve as your District Governor for the upcoming 20/21 Lions year.

My theme for this year is "OPEN UP FOR NEW IDEAS". What I mean is what it says. Get out into your communities and neighborhoods. Be seen. Do new things. Find out what your community would like the Lions Club to do for them. Get involved with your local sports or recreation programs, scouting programs, and other organizations in your areas. Ideas that might not have worked in the past might take off today. Just because they did not work then doesn't mean they won't work now. Times are changing, so we Lions also

need to change. We cannot dwell in the past as we are in the present and must look to the future so set examples for continued growth & expansion of Lionism.

I have scheduled my DG visits for the year. I know I have spoken with many of you, and if your club is scheduled & decides not to visit due to the pandemic, please do not hesitate to call me as I will be more than willing to reschedule. I am looking forward to visiting with your clubs soon and excited to share my story with you.

Are you interested in helping our Lions clubs become stronger, happier & more driven? If so, then you would be a perfect fit to be a part of our developing NAMI (North American Membership Initiative). We are looking for club members to join us in our efforts. PDG Charlie McGrew has accepted the challenge of being our District's NAMI Champion. If you are interested, please reach out to PDG Charlie or myself and we will find the area on the team that best suits you or that you are most interested in. Let's "Open up for New Ideas", put our heads together & increase our membership!

Again, thank you for all you do as Lions. I know this year is going to be a good year, in spite of the challenges we are facing. I really enjoy talking and seeing you all and cannot wait to spend time with you at your gatherings and events. The District will also be trying some new, fun & exciting activities & I hope you will all join in the fun!!

Remember, step out of the shadows, try something different, and you might be surprised with the outcome!!

Yours in Lionism & Service,
DG Chuck Thompkins

Happy New Lion Year 2020/21

All executive officers and international directors will continue to serve through June 29, 2021 following a resolution passed in March of 2020 by the international board of directors in response to the coronavirus (COVID-19) pandemic and subsequent cancellation of the 2020 International Convention in Singapore. Below is the 2020-2021 Presidential Theme.

2020-2021 Presidential Theme

1st Vice District Governor Message:

My Fellow Lions,

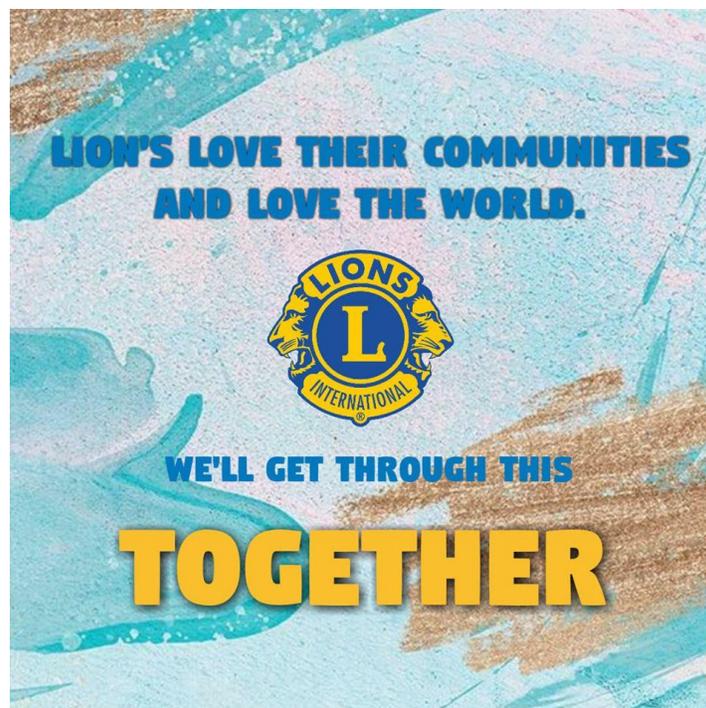

By now, most of you have, or are in the process of, installing new officers for the coming year. There certainly are a number of challenges to be met this year. We are still in the midst of a pandemic, and we are down in membership. Very few meetings are being held, and a number of fundraising events have been cancelled. We have to be creative about how to hold meetings - zoom, skype, etc.

There were so many volunteers working during the pandemic, delivering food and doing other things for people who could not get out, that, if we could contact these people, maybe we could get some good, committed members to help us in our mission, "We serve."

Our drive for new members is of utmost importance because our numbers are dwindling. Perhaps the new officers have good ideas about attracting and keeping members. When you invite someone to visit your club, make sure that the setting is inviting. All members should talk to them and make them feel welcome. Listen to their ideas.

Good luck to all of the new officers this coming year. If you need any help facing these challengers, please feel free to contact me.

Yours in Lionism,
Margie Wolff
1st VDG

2nd Vice District Governor Message:

Fellow Lions:

Hello, my name is Tony Catullo and it is my privilege to serve you as your Second Vice District Governor.

We begin a new Lions' year just as we ended the last one, in the middle of a pandemic and we have no idea how much longer it will go on. We have all had to deal with restrictions, uncertainty, and frustration but the amazing thing is despite all this we lions and lionesses have soldiered on. We will continue soldiering on in this new year for one simple reason, who we are. We are men and women who care about the community and the world we live in and are committed to making them better.

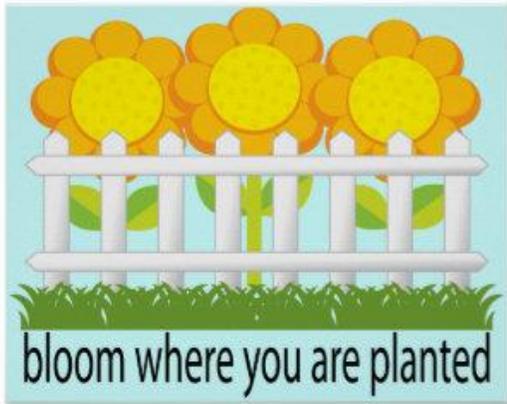

We begin making them better right at the club level. You folks at the local level are the front line troops. You are the ones who make sure local youngsters have their eyes checked; you are the ones who ensure that folks who can't afford glasses can still have them, and you are the ones who will provide scholarships for local students. You are also the primary support for Lions projects on a global scale. What you do is not only important, it is critical, especially to that youngster who now sees clearly for the first time, for that is truly a life-changing event.

Yes, what we do can literally change lives and it all begins with you at the local level. What we need are more men and women who simply care. You will hear a lot about membership this year, in fact it will be a constant drumbeat. We do need new members and there will be a concerted effort this year to recruit them and I am privileged to be part of the effort. I look forward to working with all of you.

Yours in Lionism,

Tony

WOMEN AND FAMILIES IN LIONS

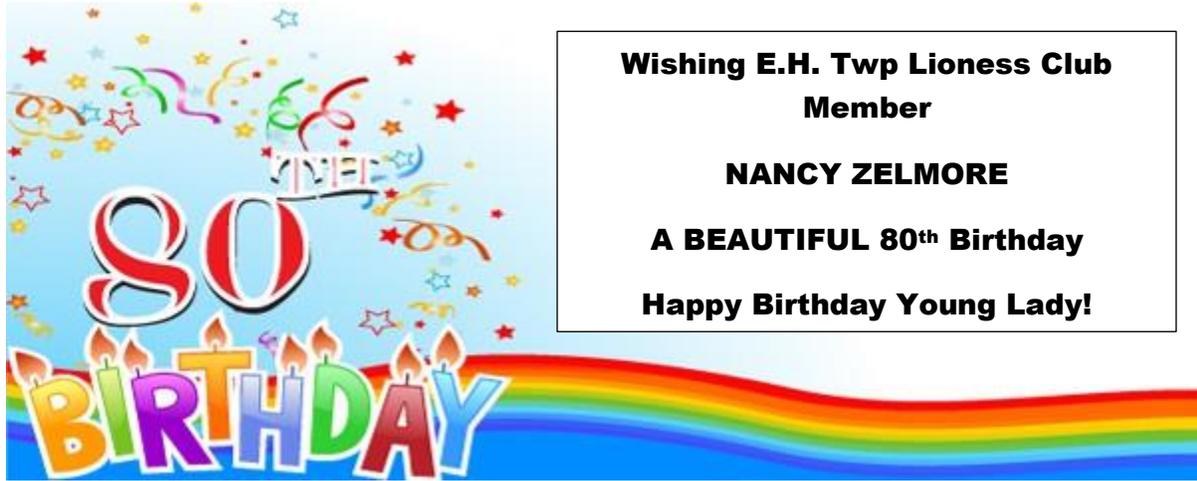

Hello Lions Family:

I would like to introduce myself! My name is Mary Popovich and I have been asked to contribute to the monthly newsletter focusing on Women and Families in Lions. I am the King Lion for West Newton Lions Club, District 14 E. When I was approached to contribute to the monthly newsletter, even though my schedule was full; I said yes! I assume, Past DG David and DG Chuck heard the old saying, "if you need something done, ask a busy person!" This brings me to the point of this article. In this everchanging world, with the Covid crisis, riots, unemployment, and uncertainty, it is so important to belong to an organization that has endured the test of time. A service organization whose mission is others before self. This organization empowers women and families to create change and teaches children to be leaders and make their dreams come true.

I recently put this theory to the test on March 23, 2020. I lost my subcontracting job, as well as closure of my two part-time businesses. I felt lost and started to focus on what talents I could use to bring joy to others, that might be worse off than me. I decided to contact 2 of my friends and ask for their help and commitment through our Lions club to feed people who needed a break, were unable to go to the store or just about anyone who needed a hot meal. I was blessed with the ability to cook for large crowds and remain calm. I gave the first one-hundred dollars to begin this hot meal program on March 23rd and it remained in operation till Friday, May 25th. I admit, I prayed everyday that I would receive donations to keep this program going. Our club was blessed by our community through donations and we were spotlighted on the local media. This was a vital tribute to our former members of our organization, who built and maintained our field house, as we celebrated 70 years of service in May. Building a family of Lions members make daunting tasks easy and is essential to all communities.

In closing, March 8, 2020 was International Women's Day, a day that focuses on the strength of women and the importance of them in society. I loved this quote from Rava on #Women are Mighty, "Women are the first school for children. They teach them essential life skills. When women are active and thrive, they push society forward." This is the new dynamics of Lions today. Many women have leadership roles within our club and their talents and contributions has added to the greatness of our club. When recruiting members, focus on the talents each new member can bring to our Lion family and encourage them to be a doer and step out of their comfort zone! Until next time.....

Mary Popovich

Empowering Clubs through the Power of Action

Global Action Team

Dear Lions,

Welcome to a new Lions' year! As you have recently heard, we are living in unprecedented times. In the past few months, we have learned new ways to connect with our members and discovered new opportunities to meet our communities' needs. Unfortunately, we have also lost some of our members because they failed to see a reason to continue their membership. However, it's not too late to invite them back, or to at least, control the damage.

Do you...

Know your fellow members on a personal basis?

Evaluate their potential and utilize their talents?

Encourage them to participate in club projects?

Pamper them a little so that they feel appreciated?

Emphasize teamwork because "Alone we can do so little; together we can do so much?"

Make them feel welcome and important?

During these difficult times, our communities need us more than ever, but our challenges have changed. Consequently, we must brainstorm new ideas for service projects and fun activities while continuing to be socially distant. Consider providing a virtual BINGO or Trivia Game about your community, or maybe just a virtual/drive through community picnic.

Do a *Community Needs Assessment* because our requests are different than they were six months ago. Determine ways in which you can assist students or teachers in returning to the classroom. Consider an alternative Covid plan, in the event of a resurgence of this disease.

Now is also the time to invite potential members to help us continue to be an invaluable resource. In case you haven't heard, there is no charter/membership fee until January. So, take advantage of this initiative as well as the media attention that some of our clubs received, and invite community members to assist us because we need their help.

As always, thank you for all that you do, but let this be the year that our communities begin to **"Unite in Kindness and Diversity."**

In Friendship and Service,

Cindy Gregg, PID

Global Action Team Coordinator (Pennsylvania, Virginia, and West Virginia)

Leadership

Fellow members,

Happy New Year! Lions new year that is. Why not start the year out right. The Lions Learning Center on Lions Club International website is at your fingertips. Every member has access to your own Lions Account. You simply need your member ID, Date of Birth, and email or mobile number that is on file at Lions Club International. Club secretaries can confirm and verify what information you need or have on file. That is all there is to it. You're in!

The Lions Learning Center can be accessed through your lions account. As a Lions Leader, or future Lions Leader, there are numerous learning opportunities that you can invest a little time in to better yourself personally and professionally.

For Example:

Introduction to Lions Leadership – this course defines leadership and shows varied styles and how they can be used. You will find your own style along the way. You will be able to create a personal leadership development plan.

Writing your Personal Mission Statement – This is all about self-discovery. How well do you know yourself? Through a series of activities, you will craft your personal mission statement and learn how to put it to use in your everyday life.

Creativity – Refresh your creative skills. Learn by example from other Lions, create new ideas, and foster a positive club environment.

Mentoring – This describes the mentor, and a mentee. You will learn about the characteristics of an effective mentoring relationship and the benefits of mentoring.

Promoting Innovation – Growth, and effective service requires new ideas and actions. This course provides tips on stimulating creativity and creating an environment of innovation within your club.

Managing Change – Learn how to become a leader of change. You will recognize how different people react to change and adopt change. You will use checklists to assess resistance and help develop a plan to implement change as needed.

Servant Leadership – An effective leadership philosophy based on the desire to serve others. You look at the needs of people and ask yourself how you can help solve problems and develop new personal skills. Embark on a journey of self-discovery!

Yours in Service,

PDG Aaron Slezak

Membership

I hope I am finding you all safe and in good health.

As we embark on the beginning of the 2020-2021 Lions Year, we are still experiencing uncertain times which are unprecedented in District 14-E history. Our Club board meetings, dinner meetings, fundraisers, and some of our service projects have, in some cases, been cancelled or postponed. Some of us have become creative and still found ways to safely fundraise, hold meetings and provide services to our communities. "Social Distancing", at least for the time being, has become the "new normal" and the world as we know it has changed. Our opportunities to gather as a Club and socialize with our fellow Lions have been impacted in some way.

Believe it or not, this may be our best chance to increase our membership.

With activities being scaled back, the everyday hustle and bustle has slowed and more people are realizing that in tough times like these, the need to help those less fortunate is increasing.

Ask your Club members to contact those individuals they have asked to join in the past, but for whatever reason, weren't able to. Do it as a wellness call to check on them, make sure they are okay, and to see if they may need you to do anything for them. In casual conversation, ask if they have given any further consideration to joining your Club. Use this opportunity to reacquaint them with all the things your Club does in the community. Who knows, they say "timing is everything" and now may be that time when they agree to join. If nothing else, you've performed a community service project and insured those you had contact with were okay. The impression you made by initiating this contact with them will surely be remembered.

Give it a try! What do you have to lose? Nothing at all!

Sincerely,

PDG Dave Stitely

Servant Leadership

Not all Service that we do is for those that are not Lions. Some of the efforts we give are done in the commitment to growth and development of our Lions organization. That is exactly what our District Governor (now Past DG) David DeFazio committed his last year (actually several years) to. He started the 2019-2020 Lions year off just as any Governor would and for the first 7-8 months things went pretty much as expected as he motivated our Clubs to work towards our, his, and the goals of Lions Clubs International. He helped kick off myLion as a new way for Clubs to report Service and he encouraged us to grow our membership and leadership within our Clubs and the District. Covid-19 presented new challenges but PDG Dave saw past those and helped make sure we were committed to continuing Service in our communities and helped us find ways to overcome the challenges of the pandemic. Many of his original plans were changed. His District Convention and Spring Rally were just around the corner when we were told to stop meeting socially and you cannot have things like a casino games fundraiser night when you cannot get together. His theme of "Be a Little Bolder" played out in the pandemic in the way that he encouraged us to respond. We had already been meeting as a Global Action Team by teleconference under his leadership and now the team planned to help the District move forward. We had our first ever electronic election for our next year's officers. To live to his own theme of "Be a Little Bolder" he made sure our District was provided for with his recent accomplishments of the \$10,000 Covid-19 Relief LCIF Grant he applied for and received for the communities of Westmoreland County and he closed the year out seeing to it that the Food Kit Packing Service project was completed. PDG Dave congratulations on an amazingly successful year. It may not have always gone the way you expect, but as a PDG I can tell you that they probably never do. It's how you embraced and lived up to your theme of "Be a Little Bolder" that matters most.

PDG Dave lives to the Motto - "We Serve!" and I am proud to be able to Serve along with him as a Lion.

Yours in Service,

PDG Lance H. Remic - Global Service Team Chairperson, District 14-E

The Match Has Dropped!

Leader Dogs for the Blind is excited to announce our 1st ever Spring Match Mail Campaign. It arrived in your club's mailbox within the past few weeks featuring Lion/client Wendi Simpson-Dyer and her Leader Dog, Lily (*pictured right*). While club meetings, fund raisers, and conventions have been suspended, our client needs, and the care of our canines never takes a hiatus.

"We want to pay it forward," explained St. Jacobs Lions Club (1-CN, IL) President Guideon Richeson of their \$20,000 match campaign donation. Combined with Ramsey Lions Club's (5M-7, MN) pledge of \$50,000 our spring mail campaign has a \$70,000 goal! Regardless of amount, *every* donation will provide twice the impact. Thank you to both clubs for their generous support.

Help us meet our goal either via mail or online:

A) A remittance slip is in the mailer. If that isn't available due to meetings cancellations, make sure you write "match campaign" in the memo or with a short correspondence. When mailing in your club's donation, please include your club's updated contact information including mailing address, contact phone and email and mail to:

Leader Dogs for the Blind Attn: Lions Team, 1039 S. Rochester Road, Rochester Hills, MI 48307

B) Gifts received online via this link will count as well! Give online at <https://www.leaderdog.org/lionsgive/>

The 3rd quarter donation reports will arrive in the next two weeks. As always, a complete list of club donations is available on our website: leaderdog.org/lions-club/club-donation-reports.

Attention club presidents/secretaries/treasurers: please take a few minutes to update your club contact information with us. Simply email Lion Kathy Gilchrist at KGilchrist@LeaderDog.org with your club name, mailing address, main contact phone and email address. This information allows us to quickly and accurately recognize each club's good work and continue to provide you with timely updates.

Together We Serve,

Lions Beth, Mike, Kathleen and Kathy

LEADER DOG NEWS FOR LIONS – May 2020

Old Skills, New Friends – Making Harnesses for Leader Dogs

By Steve Williams,
Leader Dogs for the Blind volunteer
(Pictured right)

After working as an orthotist (a person who makes custom orthopedic devices) for 39 years, my wife and I closed our family business in 2015. Shortly after retiring I started volunteering in the tack room. I was very excited to be part of Leader Dogs for the Blind (LDB) since I grew up nearby and had a family connection.

My daughter worked for several years as a guide dog mobility instructor for English and Spanish-speaking clients. While she worked at LDB, my wife and I had an opportunity to take a tour of the facility. I saw my retirement future as soon as we stepped into the tack shop. This is where the tack shop volunteers assist with assembling and repairing leather harnesses and tie-downs for the dogs. Some of the harnesses are also customized to accommodate a dog or handler's physical stature. When I trained many years ago to become an orthotist, most of the devices were made from leather and metal. Although technology has changed over the years to incorporate more sophisticated materials, I always loved using my old school leather work skills.
