District Governor's Message

Hello fellow Lions.

"Somebody ought to do something!" How often have you heard that? How often have you said it? Someone opens a newspaper and sees a horrific scene of people whose town has been ravaged by a tornado and says, "That's terrible, somebody ought to do something." Then someone sees a heartbreaking scene on the evening news of children going hungry says, "That's awful, somebody ought to do something." And someone sees homeless men and women sleeping on the street and says, you guessed, "That's horrible, somebody ought to do something about it" And the question is will somebody do something about it.

My greatest joy is having served with men and women who are those somebodies and who do those somethings. Yes, you Lions of 14-E are a great group. You have seen how important it is for children to receive early eye-screening and you have done something about it. You have seen how important it is to ensure people can afford their diabetes medication and you have done something about it. You have seen how important it is that people do not go hungry and you have done something about it. Of course, the list goes on and on; your eyes are always open to see the need and your hearts are always ready to respond.

It has been my privilege to serve as District Governor and I can't even begin to imagine what you will accomplish when Amy takes the reins. The need will always be there but so will the Lions of District 14-E. I wish all of you the best of luck in the upcoming Lions year and wish you God's blessings.

Tony

District Governor Elect Note

My Fellow Lions,

Here we are, entering the month of June—the last month of this Lions Year. It is hard to believe how fast the year has gone by. Summer activities have started—Chicken BBQ's, Demolition Derby's, Road Clean-ups, Strawberry Festivals, Flower Garden Planting, Farmer's Markets and much, much more. What fantastic opportunities to promote Lionism and gain potential new members. Invite friends and family to help out with a project. Our membership is way down and we need to start rebuilding our club membership in any way we can!

The State Convention was held a few short weeks ago at the Kovalchick Center at IUP in Indiana PA. We heard many inspiring messages from Daniel Marney Elkins, International President Brian Sheehan, and our own PDG Tom Gregg was the keynote speaker at the Melvin Jones Breakfast on Sunday morning. It was fantastic to see so many Lions from our District attend as well as getting to see friends from all over the state get together and celebrate 100 years of Lionism in Pennsylvania. Congratulations to Lion Dave Long as he was presented with the President's Leadership Medal during the International Banquet on Saturday evening. He is quite the role model for all of us! Keep on serving Lion Dave!! I must also add that it was quite humbling to be pinned as your incoming District Governor during the Pinning Ceremony during the Friday Night Banquet. And the Fireworks display was absolutely AWESOME!

I am working on putting the final touches to my plans for next year and looking forward to serving you during the upcoming year. There are several goals I hope to achieve for the District, but I will need everyone's help in doing so as we all know we can achieve so much more working together as opposed to doing it alone. More information will be shared in the next newsletter. Until then, I will be busy preparing to attend the International Convention in Boston in July and will share with you my experiences when I return as your official new District Governor!

However, I have several reminders for you and your clubs in the meantime. If you have NOT entered your club officers to LCI for the 2023/2024 Lions Year, please get them in NOW. I need them for the Directory and LCI needs the information in order for important information to be communicated to the correct individuals. If you are not able to enter them to the LCI site, please let me know, and I will get them entered for you! Keep in mind this was to be completed by May 15th, and as of today, there are 12 clubs that have not yet taken care of this time sensitive need!

PA Lions Beacon Lodge Camp Lions Appreciation Day will be held on Sunday, July 16th. This is a very special time for the camp as they will be celebrating their 75th anniversary. If you have not been to the camp or if it has been a little while since being there, please plan to attend and join in the celebration!! Please see the flyer in the newsletter for more information!

There are also three golf outings coming up that need your support—flyers can be found in the newsletter for additional information:

1. District 14-E's Annual Golf Outing on July 22nd—this is our 50th anniversary for the outing and there are many ways your club can support and sponsor—please contact PDG Jason Mesher or see the gold flyers in the newsletter!
2. Beacon Lodge Camp's Annual Golf outing will be on August 26th—please consider being a sponsor as this is their major fundraiser and they depend on the Lions Club's in Pennsylvania in order to keep the camp operations running.
3. The Lions Diabetes Board of Allegheny & Westmoreland Counties Annual Gold Outing will be held on September 9th at Butler's Golf Course—please consider being a sponsor or golfing in this outing as well as all proceeds will assist in paying for medications for those who cannot afford them.

Until we meet again, using the wise words of International President Brian Sheehan, remember "Together We Can", and "Make a Great Day"

It features a large, stylized number '50' in the center, with the word 'celebrating' written in a curved path above it and 'YEARS' written inside the zero. WOMEN AND FAMILIES IN LIONS

Father's Day is a celebration honoring fathers and celebrating fatherhood, paternal bonds, and the influence of fathers in society. A woman named Sonora Smart Dodd of Spokane Washington first proposed this in Washington around 1909. It may be hard to keep track of the date because the date changes every year. It falls on the third Sunday in June—which means the actual date changes year to year according to my research on the subject. (Accessed: 5-25-2021, Website, The Pioneer Women).

Last month I explained all I uncovered about Mother's Day. I must say I was pleasantly surprised to find the name Sonora Dodd in the center of all this history making celebration. She worked hard to get Mother's Day established and equally hard to establish an equivalent for male parents, which finally occurred on June 19, 1910, as the first official Father's Day Celebration!

This is a great time to pull together a family project to honor Dad on his special day. Although you can always buy his favorite self-care product or cook his favorite meal, why not create something special the children can make. DIY projects are easy to find on the web with a few simple items. Some of the examples I investigated are, painted pots with funny faces, tie dye shirts, a favorite snack mix, stenciled necktie and so many others. Get the children involved and do your research. Homemade cards are always a hit with Dad and are sure to instill lasting memories he will cherish. Till next time.....

Global Action Team

A World of Support.

Dear Lions and Leos,

Wow! We've completed another year of serving our communities. "Together" we have made a huge impact on the lives of many people that you will never meet. Through LCIF, our donations have helped countless people throughout the world, especially in Syria, Turkey, the Ukraine, and many areas of the United States. As I write this, I am eagerly anticipating the LCIF Tel-e-Thon on June 4 to see a wonderful show, to view the live donations, but to also learn more about ways in which we are improving lives around the globe. Did you make a personal contribution this year? Currently, only 12 Lions in 14-E have contributed. Even \$5 or \$10 would be appreciated. Of course, our Melvin Jones recipients should REALLY consider donating to this great cause. It's not too late.

Did your club achieve its goals this year? Have you made plans for the upcoming year? Did you try something different? If your plan wasn't as successful as you would have liked, discuss what was done well and consider what can be improved; then, make a plan to try it, again. We have many clubs that are celebrating 70-75 years of service. However, if we don't try new ideas and seek younger members, many of our clubs will not last for another 25 years. As the great psychologist Abraham Maslow states, "You will either step forward into growth, or you will step backward into safety." Choose to move forward and seek others that have the passion to help improve your community.

While we need to try new ideas, we must also remember our roots. The Chinese writer, Ba Jin said, "Only by not forgetting the past, can we be the master of the future."

Congratulations on a successful year of service. According to those clubs that reported on MyLion, we completed 543 service activities, changing the lives of more than 132,000 people, and we contributed nearly \$200,000. That is tremendous! Imagine if all of our clubs reported! On behalf of those 132,000 individuals, I want to thank you for your service, and wish you the best in planning for the future.

Please remember that "Together We Can" and "Together," we have made a difference in our communities.

Yours in Service and Friendship,

Cindy Gregg, PID (2013-2015)

Leadership

Hello Lions,

Where does the time go? It's June already. I know that our Lions Year is almost ready to end, but as Lions we all have to continue to look for new ideas for our clubs and members. Without the motivation we are going to stay idle and fade away. I would like you ALL to try something new and just ask ONE person to come help out with a service project and chat about why you became a Lion. Step out of the box and shine. Look at all the possibilities that you might miss out on.

I would like to thank all of the Lions that attended the State Convention at IUP at the Kovalchick Center. It was heartwarming to see a nice showing from District 14-E. I hope that you all learned, had fun and met someone new. I would like to ask Lions that attended to please share your stories with other Lions. Let's see if we could get more participation from the District for the next big event. Meeting the International President was a blast! He is a Lion at heart and very motivated in getting you involved to share the joys in becoming a Lion.

I hope you all have a nice summer and enjoy the nice weather. I also would like you to get ready for our new District Governor Amy. She is busy getting ready for the new Lions year and is looking forward to coming to your clubs, events and to spread her words of wisdom and encouragement.

Again, have a fun summer and I will see you all soon!

Yours in Lionism,

PDG Chuck

Service

PA Lions State Convention – Service Edition

District 14-E Care-A-Van

The District 14-E Care-A-Van made the trip to this year's State Convention in Indiana, PA. I had the opportunity to use the van to transport International President Brian Sheehan and his wife Lori along with other members of the PA International Family (the past International Directors and their spouses from PA) to Camp Orenda in Indiana for a tour of the camp and the grounds. The Care-A-Van committee voted to help our neighboring District, District 14-J provide this transportation during the weekend.

From left to right: PDG Lance Remic, PID Larry Edwards, Lion Susan Edwards, IP Brian Sheehan, Lion Lori Sheehan, Lion Barb Ott, Lion Judy Miller, PID Bob Miller. In the background – the District 14-E Care-A-Van.

Camp Orenda

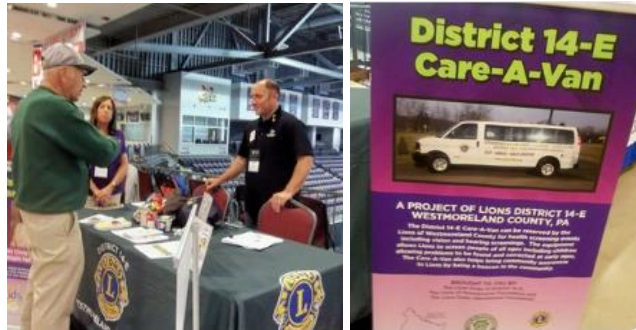

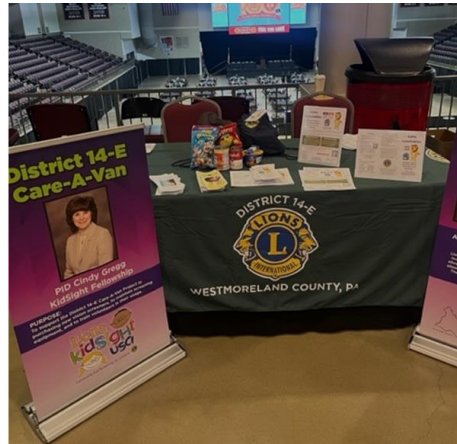

So you've probably heard about Beacon Lodge but do you know that there is a very similar camp just one County to our East? Camp Orenda is a residential summer health camp for persons with disabilities. Accommodating 25-30 individuals with disabilities for each of its sessions, Camp Orenda offers a fun-filled week that challenges it's campers physically, emotionally and socially. It's a home away from home and a time that is treasured and anticipated throughout the year. If your Club is looking to donate to a group of need consider Camp Orenda and the Lions Health Camp Foundation.

PA State and District Displays

District 14-E Lions manned booths at this year's MD 14 State Convention. Lion Amanda Remic is our MD 14 PA State Coordinator for Leader Dogs for the Blind. She had a booth set up along with Lion Beth Slade from Leader Dog.

[The District also had a table talking to present some of the projects that we do throughout District 14-E. Lions Lunchables backpack program as well as the Care-A-Van were displayed. In recent years the Care-A-Van has grown to include a Lions Kidsight program with the purchase of two Spot Vision Screeners. These screeners can be used to detect vision issues on children as young as 6 months old. The detection of these issues can then be followed up with and often corrected.](#)

International President Brian Sheehan Awards Service to a District Lion – Leadership Medal Recipient, Lion Dave Long

At the International Banquet, President Brian Sheehan recognized Lions from across the state for their Service as Lions. The members of District 14-E that were present were proud of our Fellow Lion, Lion Dave Long of the Youngwood Lions Club, for him being named a Leadership Medal recipient. Lion Amanda and I had a front row seat at the banquet to see Lion Dave pinned with this honor. Congratulation Dave!! Rumor has it that Lion Dave was seen a few days later wearing his pin while sitting on his porch at home. That's someone who is proud to be a Lion and someone who makes me proud to be a Lion to Serve with him.

The State Convention allows us time to visit with Lions from all over MD 14 but also allows us to grow closer with Lions from our District. It was great seeing everyone and spending time at meals with fellow Lions. Amanda and I enjoyed a dinner in Indiana with Lion Beth Slade from Leader Dog, Lions Wendy and Charlie McGrew, and Lions Kim and Bob Mesher. Lion Kim, if you read this, please cut it up in pieces and give it PDG Bob and tell him it's a puzzle. Maybe he will read the newsletter that way.

The State Convention marks the time of year when the accomplishments of the past are celebrated as we prepare for the incoming Lions Year. With this article I write my last words as the District's Global Service Team Chairperson – a role that I have Served for the last four years. It has been an honor and a privilege to work with and represent the Lions of District 14-E in this role. Service is what we do as Lions and feel it is the most important part of being a Lion. Its right in our motto – We Serve. I'd like to congratulate DG Tony Catullo and thank him for his year of Service to our District

Next year our DG Elect Amy Thompkins has asked me to Serve as our District's Global Membership Team Chairperson. Membership – it's the most important part of being a Lion. Without member we cannot Serve (see how we adapt as Lions?) I look forward to working with you to grow our Lions Clubs to find new Leaders and implement new Service.

On a final note, I take my last lines as GST to talk about a fellow Lion who Served beside me but now Serves from above. Slickville Lions Club Member Chuck Stickel passed away this past month. He was our longest Serving Club Officer, Serving as our Club Treasurer since before I joined the Club and possibly clear back to our Club's recharter in 1998. As a treasurer, his work was often behind the scenes making deposits, paying our dues, and completing our taxes. He was proud to be a Lion and his commitment to the Club, his Service, and his friendship will be missed.

In 1948, Lion Carl Shoemaker helped found Vacations for the Blind, a summer camp designed for adults with vision impairment. Since then, the name was changed to PA Lions Beacon Lodge Camp. The program has also changed to include children and adults with a wide range of disabilities. By providing a sponsorship or joining us at the American Legion Country Club, you will be helping us continue our mission of providing a summer camp experience to our statewide community of Adults and Children living with Special Needs.

Western Pennsylvania Lions Hearing Foundation Fellowship Application

The Western Pennsylvania Lions Hearing Foundation Fellowship and Contributing Membership Programs

Both of the following programs have been established to help provide funding to support the projects of the Western PA Lions Hearing Foundation. Our goal is to continue our mission of providing assistance for adults and children through the purchase of audiology devices that will improve hearing for those who are hearing impaired.

The Western Pennsylvania Lions Hearing Foundation Fellowship Program

The Western Pennsylvania Lions Hearing Foundation Fellowship has been established to help provide funding to continue to provide hearing aids for individuals in need.

By naming a person a WPLHF Fellow your contribution goes toward helping those with hearing challenges be able to once again, hear and communicate with the world around them.

For a \$250.00 donation the recipient of the fellowship will receive a lapel pin and plaque (pictured here) indicating them as a fellow.

The recipient of this award need not be a Lion. Anyone who supports the process of improving hearing can be honored with this award.

The Western Pennsylvania Lions Hearing Foundation Contributing Membership

You can show your support for the Western PA Lions Hearing Foundation by becoming a contributing member. A \$10.00 purchase provides the pin seen here.

Check out the Western PA Lions Hearing Foundation website at www.wpalhf.org or contact one of your District Board Members for more information.

The application can be found in the Newsletter Email. Just scroll down and find the block that says "Western PA Lions Hearing Foundation Fellowship Application" and click on it.

If you wish for a copy to be emailed to you, please reach out to PDG Lance Remic or myself at the following emails:
