

DISTRICT 14-E NEWSLETTER WESTMORELAND COUNTY

Monthly Newsletter Edition
August | 2020

District Governor's Message

Hello Fellow Lions,

I hope this newsletter finds you all well. I know with the pandemic going on we all are starting the year out slow. Remember Lions don't give up. When times get tough, we get tougher. You will need to change things up a bit with your fundraisers and projects. Think outside the box. Have a food drive or a clothing drive. This will enable you and your club to still serve while maintaining social distancing. When having a club meeting, why not have it outside as a picnic—that way we are enjoying the nice weather & fresh air while we can—take advantage of it. When you are out an about, wear your Lion's shirt, and remember to ask those in your community what your Lions club can do for them, and how the club can help. In turn, this may peak someone's interest & they may want to join, which could lead to new ideas which we all must be open to.

A few other ideas of service we can provide to those in need: assist older club members, friends or neighbors with grocery shopping, and pet care, set up a tent along a walking trail and hand out water to those walking or riding their bikes—this is a good way to be seen and to strike up conversations while keeping your distance.

Today's times are different, so we have to move forward as we can all see holding onto the past is not going to work for today. This year's International theme is Kindness & Diversity...what better times to put this to work...as we all know that one small, kind gesture goes a long way and is appreciated by the recipient. My theme for the year is Open Up For New Ideas. Last year when coming up with my theme, I had no idea that a pandemic was coming our way, but my theme really puts things into perspective as we ALL need to open up and try new things in order for us all to grow as individual Lions & as Lions Clubs. We cannot dwell on the past, we have to focus on the future!!

Just a reminder, that Club visits are scheduled, so please check the calendar. If you need to cancel, please contact me as soon as possible so we can reschedule. I am open to meeting anywhere, so if your club wants to try something new, I am game to try it as well!!

I am looking forward to seeing you all soon.

Please stay healthy & well,

DG Chuck

IMPORTANT NOTICE!

Fellow Lions,

As committee chairs for the Eye Glass Collection for the District, we are respectively asking that you please hold all donations at this time.

As a result of the pandemic, the research/recycling department at the University of Pittsburgh has placed a hold on accepting donations at this time & the storage facility where we are currently housing the glasses is at capacity. They fully expect to resume accepting donations late summer/early fall.

When this program resumes, it has been requested that cases not be included with donations.

Your understanding & cooperation in this matter is greatly appreciated.

Yours in Service,
Lions John & Alice Heasley

NAMI – North America Membership Initiative

DG Chuck volunteered our district to participate in this new initiative that will make our district stronger and more relevant in our communities. We need to rejuvenate our district by getting new clubs, new members, and to re-motivate members with new fellowships and exciting service.

More info can be found on the International website. I will keep you updated as more of the initiative is developed and the progress that we will be seeing.

We have four teams that make up this initiative.

- New Clubs – 2VDG Tony Catullo
- New Members – PDG Dave Stitely
- Member Satisfaction – PDG Lance Remic
- Leader Support – PDG Aaron Slezak

We are in the process of organizing our teams and developing a vision for our district. If you have an idea or would like to volunteer your time in support your district. Feel free to contact me.

Thank you.

1st Vice District Governor Message:

My Fellow Lions,

One of the reasons I enjoy visiting different Lions Clubs is to see and hear what they are doing to serve in their communities. As I have mentioned before, I am always amazed at the programs and contributions and activities in which our Lions Clubs are involved. During my visits to various clubs recently, again I have been impressed with what is being done.

One club made a quick decision to donate to a family who had lost everything in a fire; another club previously had donated for special glasses for a teenage boy who now needed a five-organ transplant. Since where they currently live is not far enough away to stay at the Ronald McDonald house near Children's Hospital and both parents currently are unemployed because of medical reasons, this Lions Club made a donation to the family for gas for their travels to and from the hospital.

The Delmont Lions Club held its annual talent show this year but not in their usual format. It was done virtually with the applicants submitting videos of their performance. This will be placed on the District 14E Facebook page so that all of us can enjoy it.

Several clubs have held successful golf tournaments, implementing new rules because of pandemic mitigation requirements. Participants enjoyed themselves while raising money for the Lions Clubs.

Just a reminder to please participate in the fundraisers that our Lions Clubs are holding. There are many creative ways to continue to serve.

Yours in Lionism,

Margie Wolff

2nd Vice District Governor Message:

“Why am I a lion?” Have you ever asked yourself that simple yet salient question, “why am I a lion?” There certainly are any number of things we could be doing instead of going to meetings, working on fundraisers, selling raffle tickets or any other of the myriad of activities which keep lions busy. There’s a reason you are a lion. There’s a reason you will barbecue chicken on a hot day or get up early on a Saturday morning to have a road cleanup or help build a wheelchair ramp at a disabled person’s home. To put it directly you are a lion because you give a darn. You know the real measure of success is not in what you get but what you give, and yet in giving you have received more than you ever even imagined

That’s why you are a lion and that’s why you are even reading this newsletter. The time is ripe to let other people know why you are a lion and not just for the sake of membership. Men and women who know the truth of the joy of service have a great trust placed upon them. Other men and women are in desperate need of knowing this truth. Let’s not keep the gift of service in lionism a secret, let’s proclaim it in both word and deed. Let others know why you are a lion and perhaps some will begin to think “Maybe I should be a lion.”

Yes, we lions at the local level, active in our communities and demonstrating our thankfulness in just being lions are the greatest of recruiters. You will be hearing a lot about membership this year, specifically how we need more. You will receive a lot of information about different programs and methods, but nothing will be better than one neighbor loving another neighbor enough to share the gift of lionism with them. Remember, you are a lion for a reason. Wear your lions gear with pride and always be ready to tell others why you are a lion.

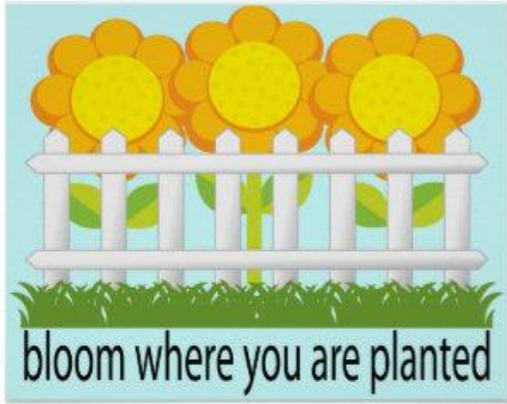

Yours in Lionism
Tony Catullo
2nd VDG

WOMEN AND FAMILIES IN LIONS

Power of Positivity

With the recent surge of excessive temperatures, a little bit of Christmas in July weather would be welcome, along with April Showers! With the constant changes regarding the pandemic along with the stress of excessive heat it is sometimes hard to stay positive. How we think plays a significant role in how we feel. The more you focus on positive things in your life (close friends, fun plans with the kids, or maybe a family outing on the bike trail, the things that are going well with you and your family) the more likely you will enjoy a sense of well-being. Positive thinking brings positive responses in your body, which can boost your mood and diminish stress.

Now that I have your attention, you may ask, what is the definition of positivity? It is the ability to meet challenges and situations in life with an "I can do it," "I'll figure it out," "Things will work out" attitude. Positive thinking and positive reactions are infectious in a good way and it can turn a frown upside down. People who choose the power of positive thinking face the same challenges and stressors in life like everyone else. The big difference, they choose to react to these challenges by finding a productive and positive way to cope and respond. In terms of an old cliché. "When life gives you lemons, you make lemonade!"

In closing here are some tips to bring positivity to your life.

- Surround yourself with positive people. It is ok to avoid people who bring you down or do not bring out the best in you.
- Find areas in your life that bring you joy; help you maintain a sense of humor and give you a sense of well-being.
- Be familiar with situations or areas in your life that bring out the "negative" in you – when a situation cannot be changed, try to focus on the positive! If a situation can be changed, then make sure you follow through.
- Find ways to give to others. You would not be a Lion if you did not put service to others before self. Do some random acts of kindness, the kids will love this! Remember, doing for others is a powerful way to help you create positivity in your own life.

Focusing on the aspects of your life that are going well can promote a positive attitude for you and your family for the rest of your lives. As Helen Keller quoted, "Keep your face to the sunshine and you cannot see a shadow." Till next time.....

- **October 1:** Deadline to purchase kits from the Club Supplies Sales Department at International Headquarters.
- **November 15:** Postmark deadline for a club to send one winning poster (per contest sponsored) to the district governor.
- **December 1:** Postmark deadline for a district governor to send one winning district poster to multiple district council chairperson.

Empowering Clubs through the Power of Action

Global Action Team

Hello, Fellow Lions and Leos,

Is your goal for this year to increase and retain members? Do you want to encourage members to accept leadership positions for offices next year? If so, the North American Membership Initiative (NAMI) is for you! This is NOT the “same old plan that LCI resurrects every few years!” Instead, it is a custom-made plan developed by YOUR members to help YOUR club achieve its goals.

Recently, PDG Charlie McGrew sent a SWOT Analysis to each club to examine your strengths, weaknesses, opportunities, and threats in order to develop a plan to accomplish your goals. So, what do you need to consider?

First, think about what your club is doing well. Is it your leadership, service projects, meetings, trainings, etc.?

What is not working well?

- Is your club recycling officers too frequently?
- Is your club not providing proper training or orientation for your members?
- Is your club merely writing checks, rather than being visible within the community?
- Are your meetings long, boring, and unproductive, just the same old-same old?
- Are members welcoming, or do they squabble and reject new ideas?

If you answered yes, to any of these questions, how can you turn those weaknesses into strengths?

What opportunities are available?

- Are new families or business moving in?
- Is there a particular cause that your community members may rally around to provide service in this area?
- Does your club encourage members to take online Lions training courses or to participate in zone and district functions, as well as the various Lions Symposiums and LCI’s Leadership Institutes?
- Is your club interested in forming partnerships with other community groups?

Finally, what happens when plans go awry? Certainly, none of us foresaw the havoc that COVID-19 has wreaked upon the entire world. Yet, many clubs have found alternative opportunities to meet and serve their communities.

Likewise, just because projects were previously unsuccessful or because individuals said, “No!” when they were asked to join doesn’t mean that you can’t try, again. Circumstances change. Rather than saying, “This can’t be done,” we need to change our attitude and consider methods to effectively deal with this area of the analysis.

Hopefully, these suggestions will help your club to complete the analysis to enable them to revitalize your club with new members who will add vitality and fresh ideas and to re-motivate your present members with interesting and meaningful service projects that will increase your visibility within the community. Of course, make your meetings and projects fun, while developing closer relationships with your club members. If you do this, you WILL be successful.

Best wishes for an Excellent year.

Yours in Service,

Cindy Gregg, Global Action Team Coordinator Area 1-D (Pennsylvania, Virginia, West Virginia)

Leadership

Fellow members,

We are at the beginning of our year but already we should be looking for our replacement. We start by trying to find someone that might want to take the steps to be a leader. This might be a person that has been in our club that has been helping and has never been asked to take on a leadership role. It can start with getting that member to lead a project or a committee to step into a leadership role. New members need to be involved right away. Getting them active in smaller roles brings about the opportunity to ask for help with the larger roles.

Is everyone aware that we need Zone Chairpersons? As of now we have one zone that does not have representation. We are looking for someone to fill the role and help lead that zone. The district is here to help any member that would be interested. It does take some time, and a little bit of work, but it is extremely rewarding on a personal level to help. There are many members within our district to help. We must put our heads together and work on taking the next step to getting members involved. If you know of any members that would be interested, please feel free to contact me and let's see where it can go.

Yours in Service,

PDG Aaron Slezak

Membership

As we begin the 2020-2021 Lions year, the Global Membership Team would like to remind you that we need to take a proactive approach and plan our strategies for increasing our Club's membership. As we think about prospective members, I'm sure at some point you have been asked one or more of these questions: Why should I join the Lions? Who are the Lions? What do the Lions do? I suggest incorporating this short "Elevator Speech" to initiate the conversation.

Lions International is the world's largest service organization with over 1.4 million men and women in 210 countries and geographic areas.

1. We are dedicated to serving those in need in our communities or around the world.
2. We have a global mission of assisting those with visual difficulties.
3. We offer leadership opportunities and training.

In addition, here are some other key points which you can include that reinforce the reasons why someone should join the Lions:

- **Friendship** – In our complex world, Lions provides this basic need.
- **The opportunity to make a difference** – As an individual, you have limited impact, but as part of a group, you can achieve so much more.
- **Personal growth and development** – Lions membership aides your growth and education in human relations and personal development.
- **Citizenship in the community** – Becoming a Lion increases your awareness of the -needs in your community and affords you the ability to be a part of initiating programs to address those needs.
- **Lions are Fun** – Meetings, Club projects, social activities, and most importantly, Service are all fun!!
- **Lions "Make Things Happen"** – Wherever there is a need, you'll find the Lions, involved in getting the job done and making things happen. We are always ready to roll up our sleeves and find a solution; no job is too big or too small.
- **Family Programs** – We offer the Cub Program, Leo Clubs, Family Unit Memberships, and other programs tailored towards families.
- **Cultural Awareness** – Around the world, practically every religion, country, culture, race, creed, political persuasion, language, color, and ethnic identity is found in Lionism. ***We are truly an International Organization.***

Offering a range of programs providing help for the disadvantaged, both locally and internationally, Lions provide a multitude of aid to address both the medical and social needs of those less fortunate than ourselves.

In this time of global pandemic, Lions are needed more than ever! We still can do service, even if it's helping at a local food pantry, the Westmoreland County Food Bank, local churches who are coordinating at home mask making endeavors, or any other opportunities - "To Serve"- in your area.- Lions are a service club. This is the best reason for becoming a Lion; the chance to do as a group what we cannot achieve on our own, to serve our fellow man, and to do our part to make the world a better place. Our motto is simple but says it all "**We Serve.**"

What we do and who we are as Lions is our best advertisement. Please take advantage of these attributes to grow your Club and strengthen our membership. Our GMT and GLT Teams are ready and willing to help you achieve these goals and look forward to hearing from you.

District 14-E Global Membership Coordinator

Service

Service Partnerships

Our Lions Clubs are not the only organizations in the community working to improve the lives of those that live there. Like our Clubs these other groups have their goals and visions. They face the same challenges that we do as Lions Clubs too – lags in membership, volunteer availability, and financial restraints. There lies opportunity in these groups to work together on common goals. By developing local partnerships our Lions Clubs can achieve more working together with other groups.

The members of both groups will work together towards their common interests. Not everything that each group does has to align either. For example, our Lions Clubs might work with a local fire department to care for a common area that is used by both groups and others in the community. The members of both teams can spend time cleaning and maintaining the area while making improvements. Fundraising efforts from both groups can be focused on the project as each group is able. Working together on this common project does not mean that the VFD will support all the Lions endeavors nor does it mean that the Lions members will be expected or able to go onto an emergency call. Each group involved in the partnership will bring their unique skills to the combined team. The strengths of each group would help compliment the weaknesses of the other.

Meals on Wheels is a program designed to meet the nutritional and social needs of seniors. The structure of the program is successful in that its volunteers not only deliver nutrition needed but also the impact of the human contact that desired by those members of our society that may spend do much of the day alone. The staff of the Meals on Wheels program can check-in with the individuals that they visit not just to say hello but also to observe any changes in their physical or mental wellbeing. The challenge of this group is often that it is underfunded in communities. Federal, state, local and private funding is what support this program. Both funding and individual volunteering is where we as Lions can step in.

Feeding the hungry is one of the global causes that Lions have supported over our years. Many of our Lions have served as volunteers delivering meals for Meals on Wheels, others have held food drives, and others prepare the food for the meals. Just recently members of the Slickville Lions Club held a chicken BBQ where the chicken prepared was not sold as a fundraiser but rather given to the local Meals on Wheels program so that they could use the chicken as the meat portion

of the meal that they delivered. The Chicken BBQ is one of the signature fundraisers by several of the Clubs in District 14-E. So often we worry about wanting to “sell out” in order to consider the fundraiser successful. Why not have a backup plan in place of where to donate some of the chicken? – Meals on Wheels, The Welcome Home Shelter, or hand them out to local police, ambulance, and fire departments. We often make donations to these places anyway and those donations not always need to be monetary.

Lions live to the motto - “We Serve!” and partnered together with other like-minded organizations our impact can be even greater and more can be achieved.

PDG Lance H. Remic G

Dear Fellow Lions, Lionesses, and Leos:

For those of you that I haven't had the pleasure of meeting yet, my name is Katie Anderson and I'm the Associate Director of Community and Corporate Engagement for Four Diamonds. I'm also, most recently, a member of the Palmyra Area Lions Club! 😊

The [Four Diamonds](#) mission is to conquer childhood cancer by assisting children and their families through superior care, comprehensive support and innovative research. When you support Four Diamonds through our [PA Lions "Care - For The Kids™"](#) project, you are not only assisting children treated at Penn State Children's Hospital, but you are also supporting a diverse platform of childhood cancer research, ***seeking improved treatments and cures to benefit kids around the world!!***

With your support, our scientists and doctors can accelerate work to:

- Conduct clinical trials that leads to new treatments and drugs;
- Offer treatment and hope to patients whose disease is not responding to therapy;
- Foster collaboration with doctors and scientists around the world; and
- Train researchers so we can continue to fight for the next generation.

Below is some additional information for you to share with your clubs and members:

1. This past fiscal year, PA Lions raised nearly **\$55,000** for Four Diamonds through the PA Lions "Care - For The Kids™" project! Attached is a graphic, which can be used in your e-newsletters, on your websites, or on your social media channels to share this amazing news! 😊
2. One of the easiest ways for you and your members to contribute to this project is by setting up a **recurring monthly gift**. It's super easy to do and I have attached those instructions for you, as well.
3. **September is Childhood Cancer Awareness Month!** Consider organizing a fundraiser or taking up a collection during this time. If you can't meet in-person or host a physical event, consider doing something virtual. Check out the Team FTK Virtual FUN-draising Ideas document, which I've also attached.

Last, but most certainly not least, please know **I AM HERE TO HELP!** I'm happy to hop on a call, join a virtual meeting, do a presentation, brainstorm fundraising ideas, provide you with resources, help you set-up your fundraising page, or send you information and trinkets for an upcoming event. **Please don't hesitate to reach out!** My contact information is below in my signature.

Thank you for everything you've done and continue to do For The Kids!

Help conquer childhood cancer

Here are some of the ways your recurring gift can help kids fighting cancer.

\$10/ month funds one day of art therapy.

\$25/ month provides one day of care and support from our chaplain, who helps guide the spiritual needs of patients and their families.

\$100/ month funds one week of child life support for Four Diamonds' outpatient clinic.

\$200/ month funds a private hospital room for a child and their family.

VIRTUAL FUN-DRAISING FAQS, HELPFUL HINTS, AND IDEAS

Join our Team FTK virtual fundraising efforts to conquer childhood cancer. Virtual fundraisers come in many shapes and sizes – so the sky’s the limit in what your group can spin-up and execute. Find the virtual mold that fits your group’s culture and donor landscape!

What is a virtual fundraiser?

A “virtual fundraiser” is a campaign or event that takes place entirely online and allows supporters to engage with your cause from anywhere. Though a virtual campaign occurs entirely online, it can still share the elements of an in-person event, including interaction, connection and fun!

Why participate in a virtual fundraiser?

- Virtual fundraisers are convenient and flexible! They don’t have a specific location so you can recruit even more supporters who otherwise may not have been able to attend in person.
- They are easy to plan and execute with less logistics than physical events.
- There is very little overhead, which makes them incredibly cost-effective.
- Use of technology like video chat and messaging makes it possible for attendees to feel connected, even when they’re not together.
- Tools such as live leaderboards, donor scrolls, campaign updates, and video make it easy to engage with supporters before, during, and after your virtual fundraiser.
- They provide motivation and a goal for you, your colleagues, your family, and your friends to get active and involved, while supporting a great cause and having fun!

Who can participate in a virtual fundraiser?

Anyone! Virtual fundraisers broaden guest lists and increase ‘attendance’ because anyone can participate, regardless of their physical location.

How long does a virtual fundraiser take to plan?

Learning how to plan a virtual fundraiser does not require extensive research and prepping like in-person events, so you should not be intimidated by pivoting to one. As virtual fundraisers are completely digital, they can be executed quickly and opened up to a wide group of supporters, increasing your reach.

What makes a virtual event/campaign successful?

As with any fundraising campaign, the key to success is promoting it through all your communication channels, engaging your supporters and continually reinforcing your call-to-action so participants know how to get involved.

Can Four Diamonds help?

Yes! We would love help you get started with your Team FTK virtual fundraiser by providing advice, support, and resources. Simply choose an option from the list below or come up with your own idea! Then, contact Katie Anderson at kanderson11@pennstatehealth.psu.edu or 717-580-4599 to start the process.

IDEAS

- **Breakfast/Lunch Delivered**
 - Set a fundraising goal for your group to hit by a certain date. The top fundraiser gets breakfast or lunch delivered to their remote office from a local restaurant.
- **Coffee Break or Happy Hour**
 - Host a virtual Coffee Break or Happy Hour via video conference for your group and have them donate to participate. Organize fun games or raffles to keep guests entertained.
- **LinkedIn/Social Media Photo Challenge**
 - Set a fundraising goal for your group during Childhood Cancer Awareness Month.
 - The lowest fundraiser in the group has to change their LinkedIn or other social media profile picture to an old picture for a week. Think yearbook, prom, or 3rd grade picture.
- **Play Games FTK**
 - Host a virtual game night! Invite colleagues, family, and friends to participate via video or livestream.
 - These can be any kind of games (board games, card games, video games etc.)
 - Pictionary, Apples to Apples, Charades, Heads Up, Scattergories, Guess Who
 - Include your DonorDrive link with the invitation and during the event to accept donations.
- **Run/Walk/Ride**
 - Host a Virtual 5K, Hike or Bike-a-Thon and have participants get pledges for each mile they run, hike or bike. It's a great way to encourage everyone to get out and exercise.
- **Virtual Challenges**
 - Invite participants to video themselves doing push-ups, jumping jacks, wall sits, etc. and encourage them to post the video on their social channels.
 - Include your DonorDrive link with the post to accept donations.
 - Tag and share with others asking them to participate in the challenge.
- **Zoom Bingo**
 - Invite your colleagues, family, and friends to donate to your Team FTK fundraising page to play! Send them the PDF and enjoy your conference calls and video chats even more while working remotely.
- **Other Ideas:**
 - Bake Along or Cooking Class
 - Celebration Days (birthdays, graduations, weddings)
 - Dance Party
 - Dress-Down or Dress-Up Day
 - Fashion Show
 - #GoGoldFTK Events (gold ribbon sale, gold themed party, golden pancake breakfast, etc.)
 - Ice Cream Social
 - Online Auction
 - Pajama Ball
 - Paint Night
 - Scavenger Hunt
 - Trivia
 - Tribute Funds (create a page in honor/memory of a loved one)
 - CREATE YOUR OWN!

PROCEEDS BENEFIT BEACON LODGE CAMP

> In this issue of *Update*

Beginning in March 2020, fulfilling our services suddenly became essentially impossible. As COVID-19 spread across Michigan and around the country, everyone at Leader Dog began working on how to adapt to the new situation so we could get back to our mission as quickly and as safely as possible. This work culminated in a huge success: in early July, we became the first guide dog organization in the U.S. to be able to serve our clients again.

Highlights from this issue

> Client Mike Garrigan talks about how isolation during COVID-19 is similar to the situation for people who are blind. "For most people, the social distancing and stay-at-home situation is temporary. This virus will eventually subside and life will resume as before. However, there are people for whom living with social distancing and stay-at-home circumstances are a permanent situation, even before COVID-19."

> We take a dive into the organization-wide changes made at Leader Dog to adapt to the Stay at Home order in Michigan and social distancing, including fostering dogs in training, creating safe scenarios for puppies to be picked up and dropped off, making our Summer Experience Camp totally virtual and more.

> Last month was Cataract Awareness Month. Our partner Midwest Eye Consultants give advice on how to keep your eyes healthy and reduce the risk of cataracts, which is one of the leading causes of blindness in the United States.

Pa Lions Appreciation Day

August 23, 2020

As with everything else this year, the plans have changed. Beacon Lodge has designated August 23, 2020 as Pennsylvania Lions Appreciation Day, combined with the 14-L Picnic! This is a day to not only recognize Immediate Past Governors and District Liaisons, but also ALL Lions, Lionesses, and Leos for their outstanding support of Beacon Lodge! Join us for a relaxing day getting to know your camp.

We will be having several new activities this year!

- | | |
|---|-------------------|
| ◆ Name That Tune | ◆ Zip Line |
| ◆ Corn Hole | ◆ Mini Golf |
| ◆ Blind Bowling | ◆ Fishing |
| <i>Don't worry, we are keeping the favorites from the past:</i> | |
| ◆ The Great Duck Race | ◆ Basket Raffle |
| ◆ 50/50 Raffle | ◆ Pin Traders |
| ◆ Camp Store | ◆ Worship Service |

You are most cordially invited to bring your families to Beacon Lodge for this occasion. This year, since Appreciation Day coincides with the 14-L Picnic, the zip line will be available from 9 am until 11 am.

A picnic meal of hamburgers, hot dogs, kielbasa, and all the fixings will be prepared and served by District 14-L from 11:30am until 12:30pm. If practical, feel free to bring your favorite covered dish. Cost is \$5 per person. All monies remaining after expenses will be donated to Beacon Lodge.

Reservations are required and must be received by August 16, 2020. To purchase tickets, please make check payable to Lion Denny Hall.

Mail to: Lion Denny Hall 7513 Panther Lane, Huntingdon, PA 16652

For additional info regarding tickets, call 814-641-7489 or e-mail: cuzslab@verizon.net

The Match Has Dropped!

Leader Dogs for the Blind is excited to announce our 1st ever Spring Match Mail Campaign. It arrived in your club's mailbox within the past few weeks featuring Lion/client Wendi Simpson-Dyer and her Leader Dog, Lily (pictured right). While club meetings, fund raisers, and conventions have been suspended, our client needs, and the care of our canines never takes a hiatus.

"We want to pay it forward," explained St. Jacobs Lions Club (1-CN, IL) President Guideon Richeson of their \$20,000 match campaign donation. Combined with Ramsey Lions Club's (5M-7, MN) pledge of \$50,000 our spring mail campaign has a \$70,000 goal! Regardless of amount, *every* donation will provide twice the impact. Thank you to both clubs for their generous support.

Help us meet our goal either via mail or online:

A) A remittance slip is in the mailer. If that isn't available due to meetings cancellations, make sure you write "match campaign" in the memo or with a short correspondence. When mailing in your club's donation, please include your club's updated contact information including mailing address, contact phone and email and mail to:

Leader Dogs for the Blind Attn: Lions Team, 1039 S. Rochester Road, Rochester Hills, MI 48307

B) Gifts received online via this link will count as well! Give online at <https://www.leaderdog.org/lionsgive/>

The 3rd quarter donation reports will arrive in the next two weeks. As always, a complete list of club donations is available on our website: leaderdog.org/lions-club/club-donation-reports.

Attention club presidents/secretaries/treasurers: please take a few minutes to update your club contact information with us. Simply email Lion Kathy Gilchrist at KGilchrist@LeaderDog.org with your club name, mailing address, main contact phone and email address. This information allows us to quickly and accurately recognize each club's good work and continue to provide you with timely updates.

Together We Serve,

Lions Beth, Mike, Kathleen and Kathy

LEADER DOGS FOR THE BLIND

LEADER DOG NEWS FOR LIONS – May 2020

Old Skills, New Friends – Making Harnesses for Leader Dogs

By Steve Williams,
Leader Dogs for the Blind volunteer
(Pictured right)

After working as an orthotist (a person who makes custom orthopedic devices) for 39 years, my wife and I closed our family business in 2015. Shortly after retiring I started volunteering in the tack room. I was very excited to be part of Leader Dogs for the Blind (LDB) since I grew up nearby and had a family connection.

My daughter worked for several years as a guide dog mobility instructor for English and Spanish-speaking clients. While she worked at LDB, my wife and I had an opportunity to take a tour of the facility. I saw my retirement future as soon as we stepped into the tack shop. This is where the tack shop volunteers assist with assembling and repairing leather harnesses and tie-downs for the dogs. Some of the harnesses are also customized to accommodate a dog or handler's physical stature. When I trained many years ago to become an orthotist, most of the devices were made from leather and metal. Although technology has changed over the years to incorporate more sophisticated materials, I always loved using my old school leather work skills.

CLUB VISITS

Invite Leader Dog to Your Next Virtual Meeting

Meetings are taking on a new look-many from our own living rooms! The Leader Dog Team is available to give virtual presentations.

Want your club, zone, region or district to know more about their impact at Leader Dog? Want to chat with a client about their experiences at Leader Dog? Meet a volunteer puppy raiser? How about inviting a Guide Dog Mobility Instructor (GDMI) demonstrate how they train guide dogs? Give us a call or email and we can help set it up.

Send inquiries to Lion Kathleen Breen at kbreen@Leaderdog.org or call her at (248) 218-6407.

For bits of joy in your day, follow Future Leader Dog Legacy, our 20,000 puppy on Instagram at [fl_d_legacy](https://www.instagram.com/fl_d_legacy) (above)!
